Haa..

Haa, I  
feel  
sluggish.

Write  
your  
presenta-  
tion during  
the  
remaining  
time.

Let's do  
a short  
test about  
your  
impression  
of the  
pheromone  
syndrome  
and the  
video we  
just saw.

Audiovisual  
Classroom

Since long  
ago, how  
many times  
do we have to  
watch this  
anime...

Okay,  
then

Since  
you  
remember  
the  
content  
well.

Hey Inui!  
Write my  
presenta-  
tion too.

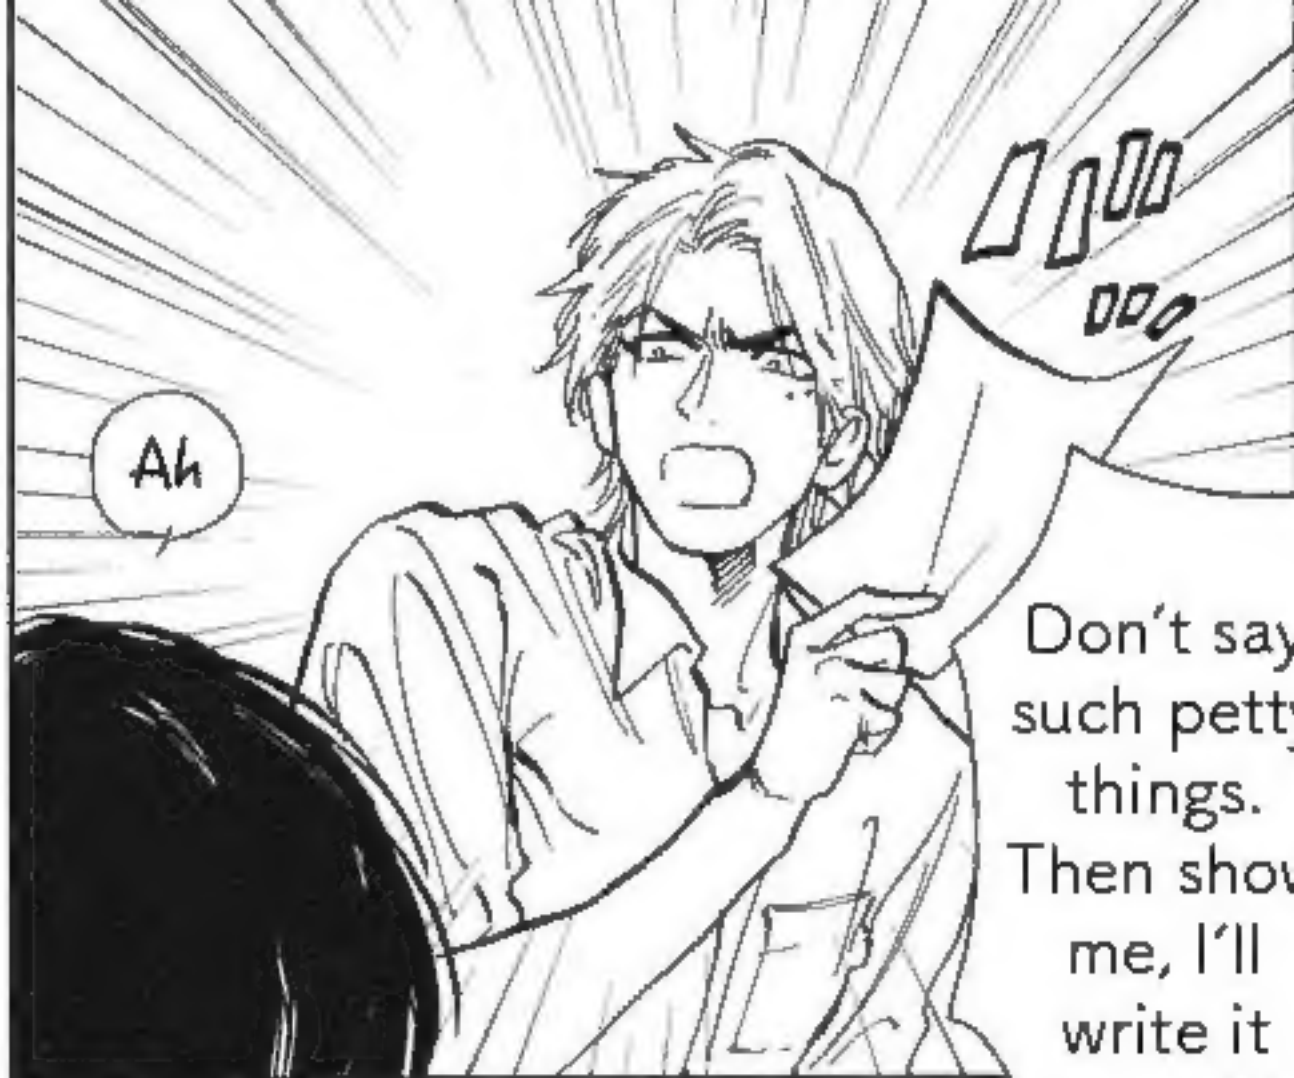

Tatsumi,  
you were  
totally  
sleeping in  
the middle  
of it.

If you  
don't write  
it quickly  
you'll have  
to stay  
after.

Ooh  
that's  
right.

.....

Ah

Don't say such petty things. Then show me, I'll write it myself!!

Aah! ?

I honestly didn't watch the video, my bad.

...No

ドカッ

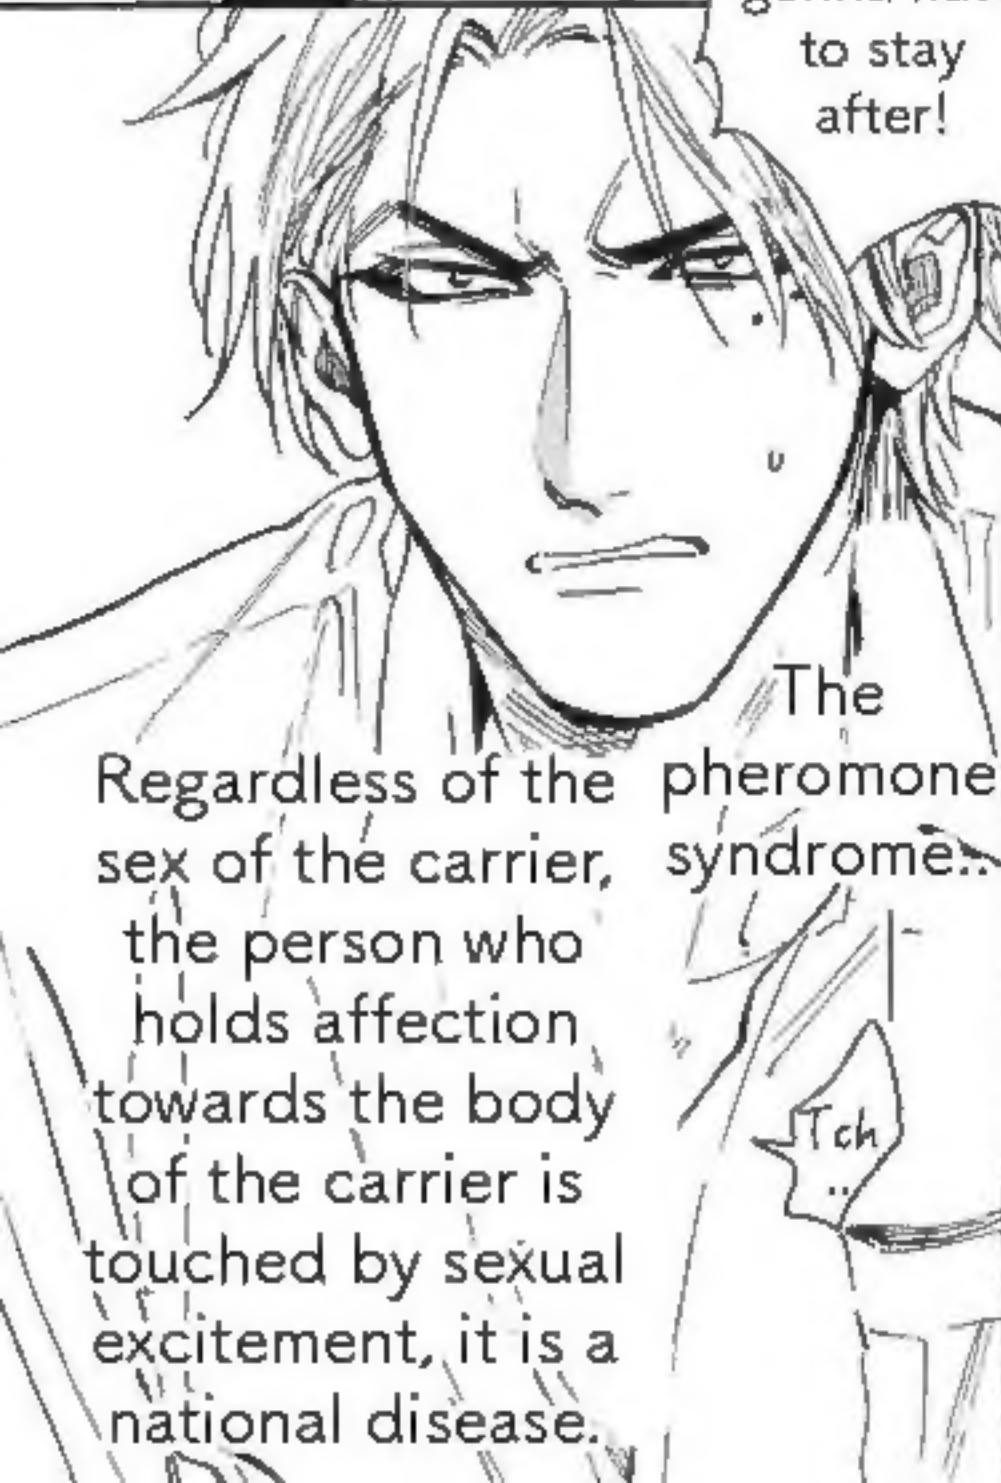

Do it with me  
Tatsumi-chan!  
You're gonna have to stay after!

What are you talking about youuu...

ッ" A

How do you feel about the content of the video?  
I think using force is not good.  
The representation is violent.  
Measures against the syndrome

Regardless of the sex of the carrier, the person who holds affection towards the body of the carrier is touched by sexual excitement, it is a national disease.

The pheromone syndrome...

Tch

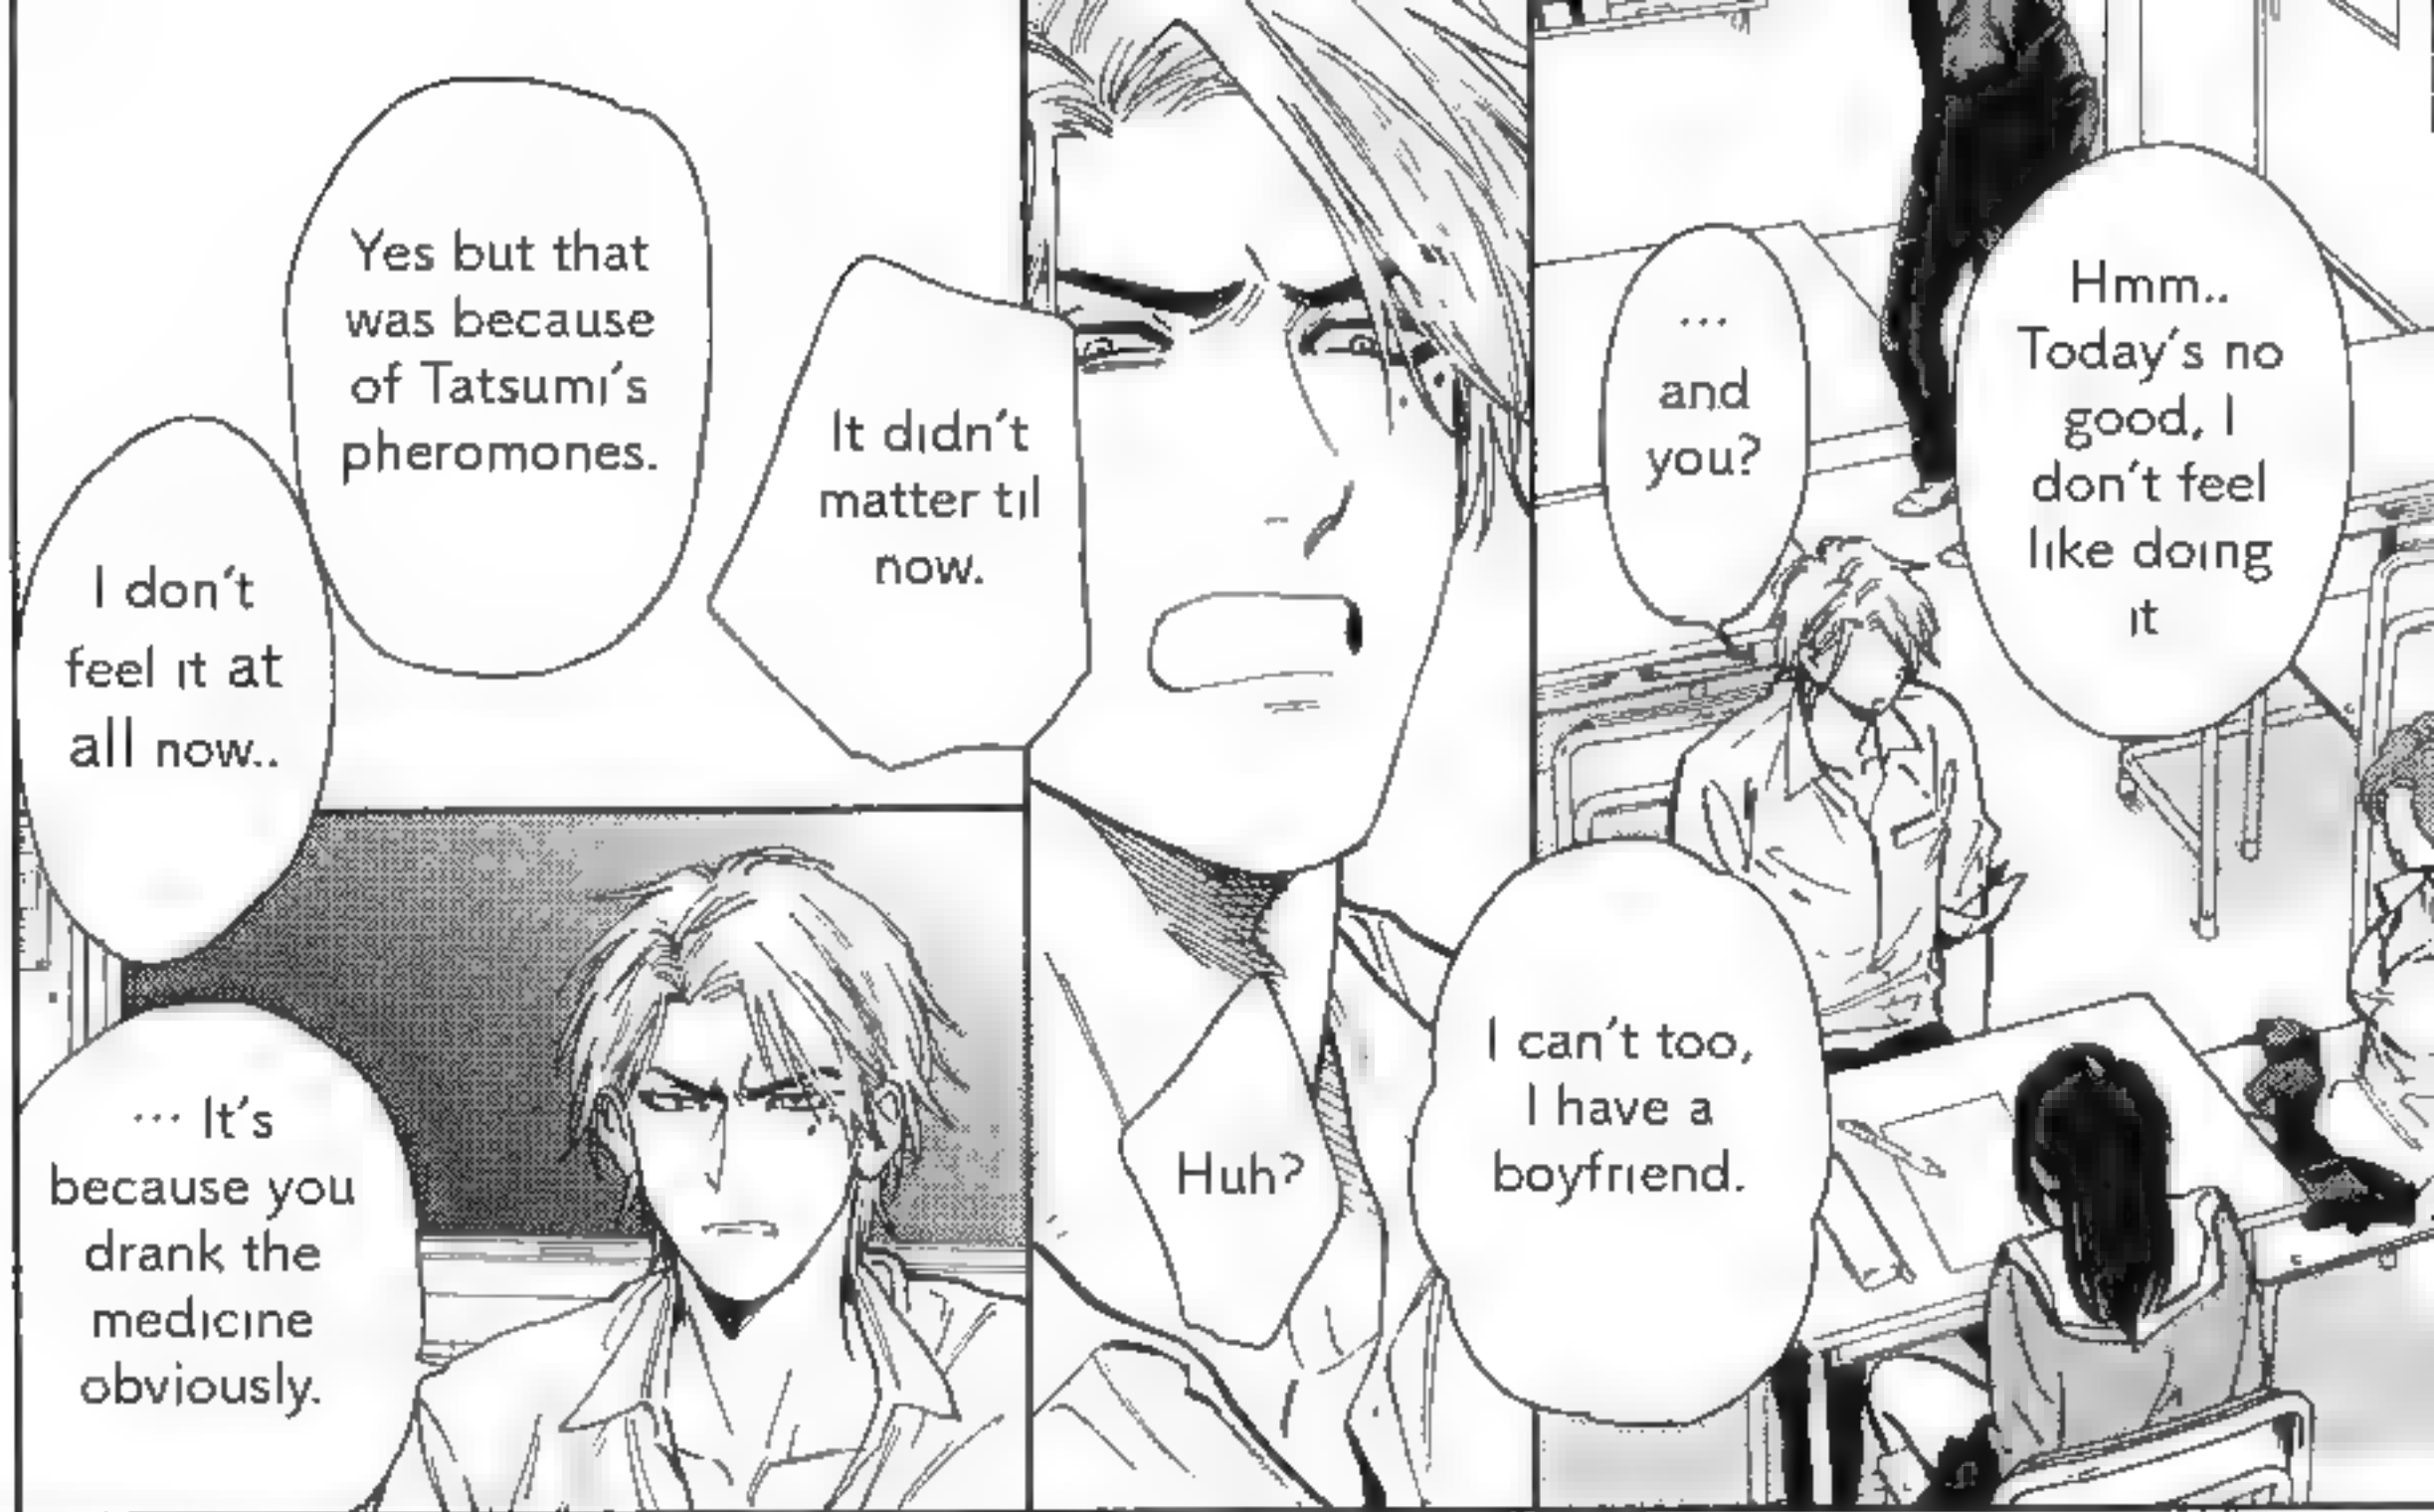

That.. that guy ...

Yes but that was because of Tatsumi's pheromones.

I don't feel it at all now..

It didn't matter til now.

... and you?

Hmm.. Today's no good, I don't feel like doing it

... It's because you drank the medicine obviously.

Huh?

I can't too, I have a boyfriend.

In the end, it might be the limit of their feelings..

All of them

See you Tatsumii

Well, for these reasons, today choose someone else.

Hey ...

... Shit

As soon as I start drinking the medicine it's like this.

Even though until now when I was completely sexually excited they would open their legs.

Never

...  
Are you  
done?  
Let's go  
home  
together.

Who's  
unfaithful!  
Don't say  
disgusting  
things!

Unfaith-  
ful  
person

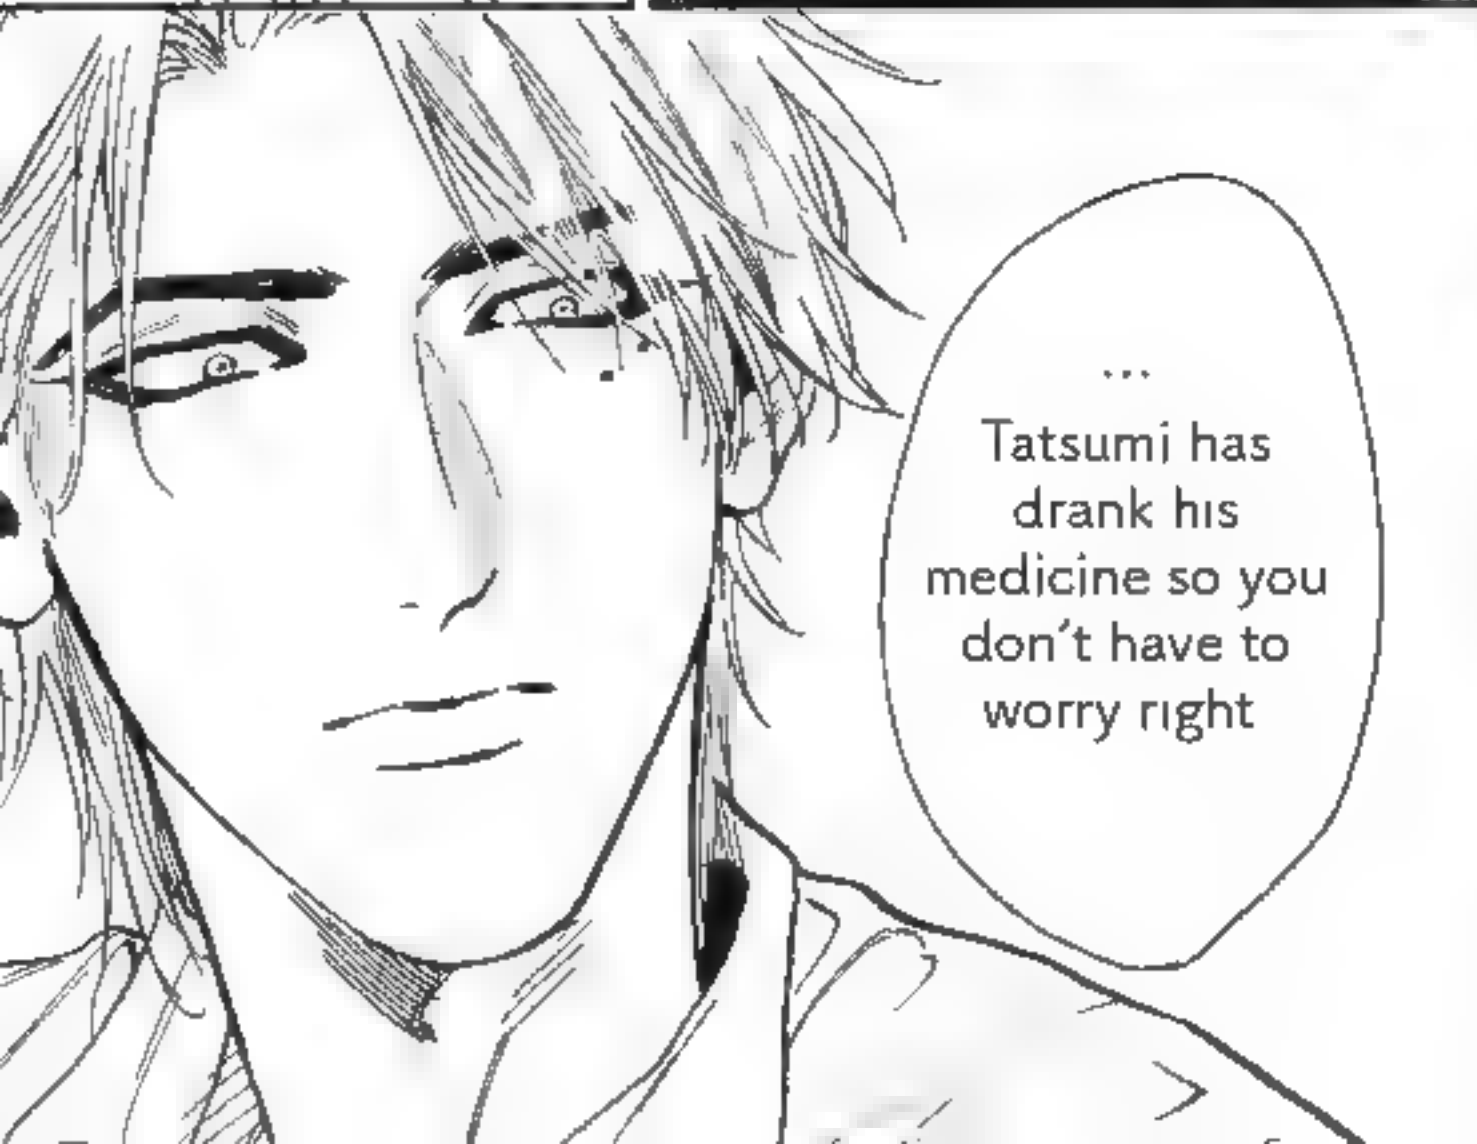

Do you  
listen to  
what  
people  
say!? Don't  
make such  
a freaky  
face!!

Saturday  
won't you  
come to  
my home  
to play?

You're  
too self-  
conscious

Huh  
!?

...  
Tatsumi has  
drank his  
medicine so you  
don't have to  
worry right

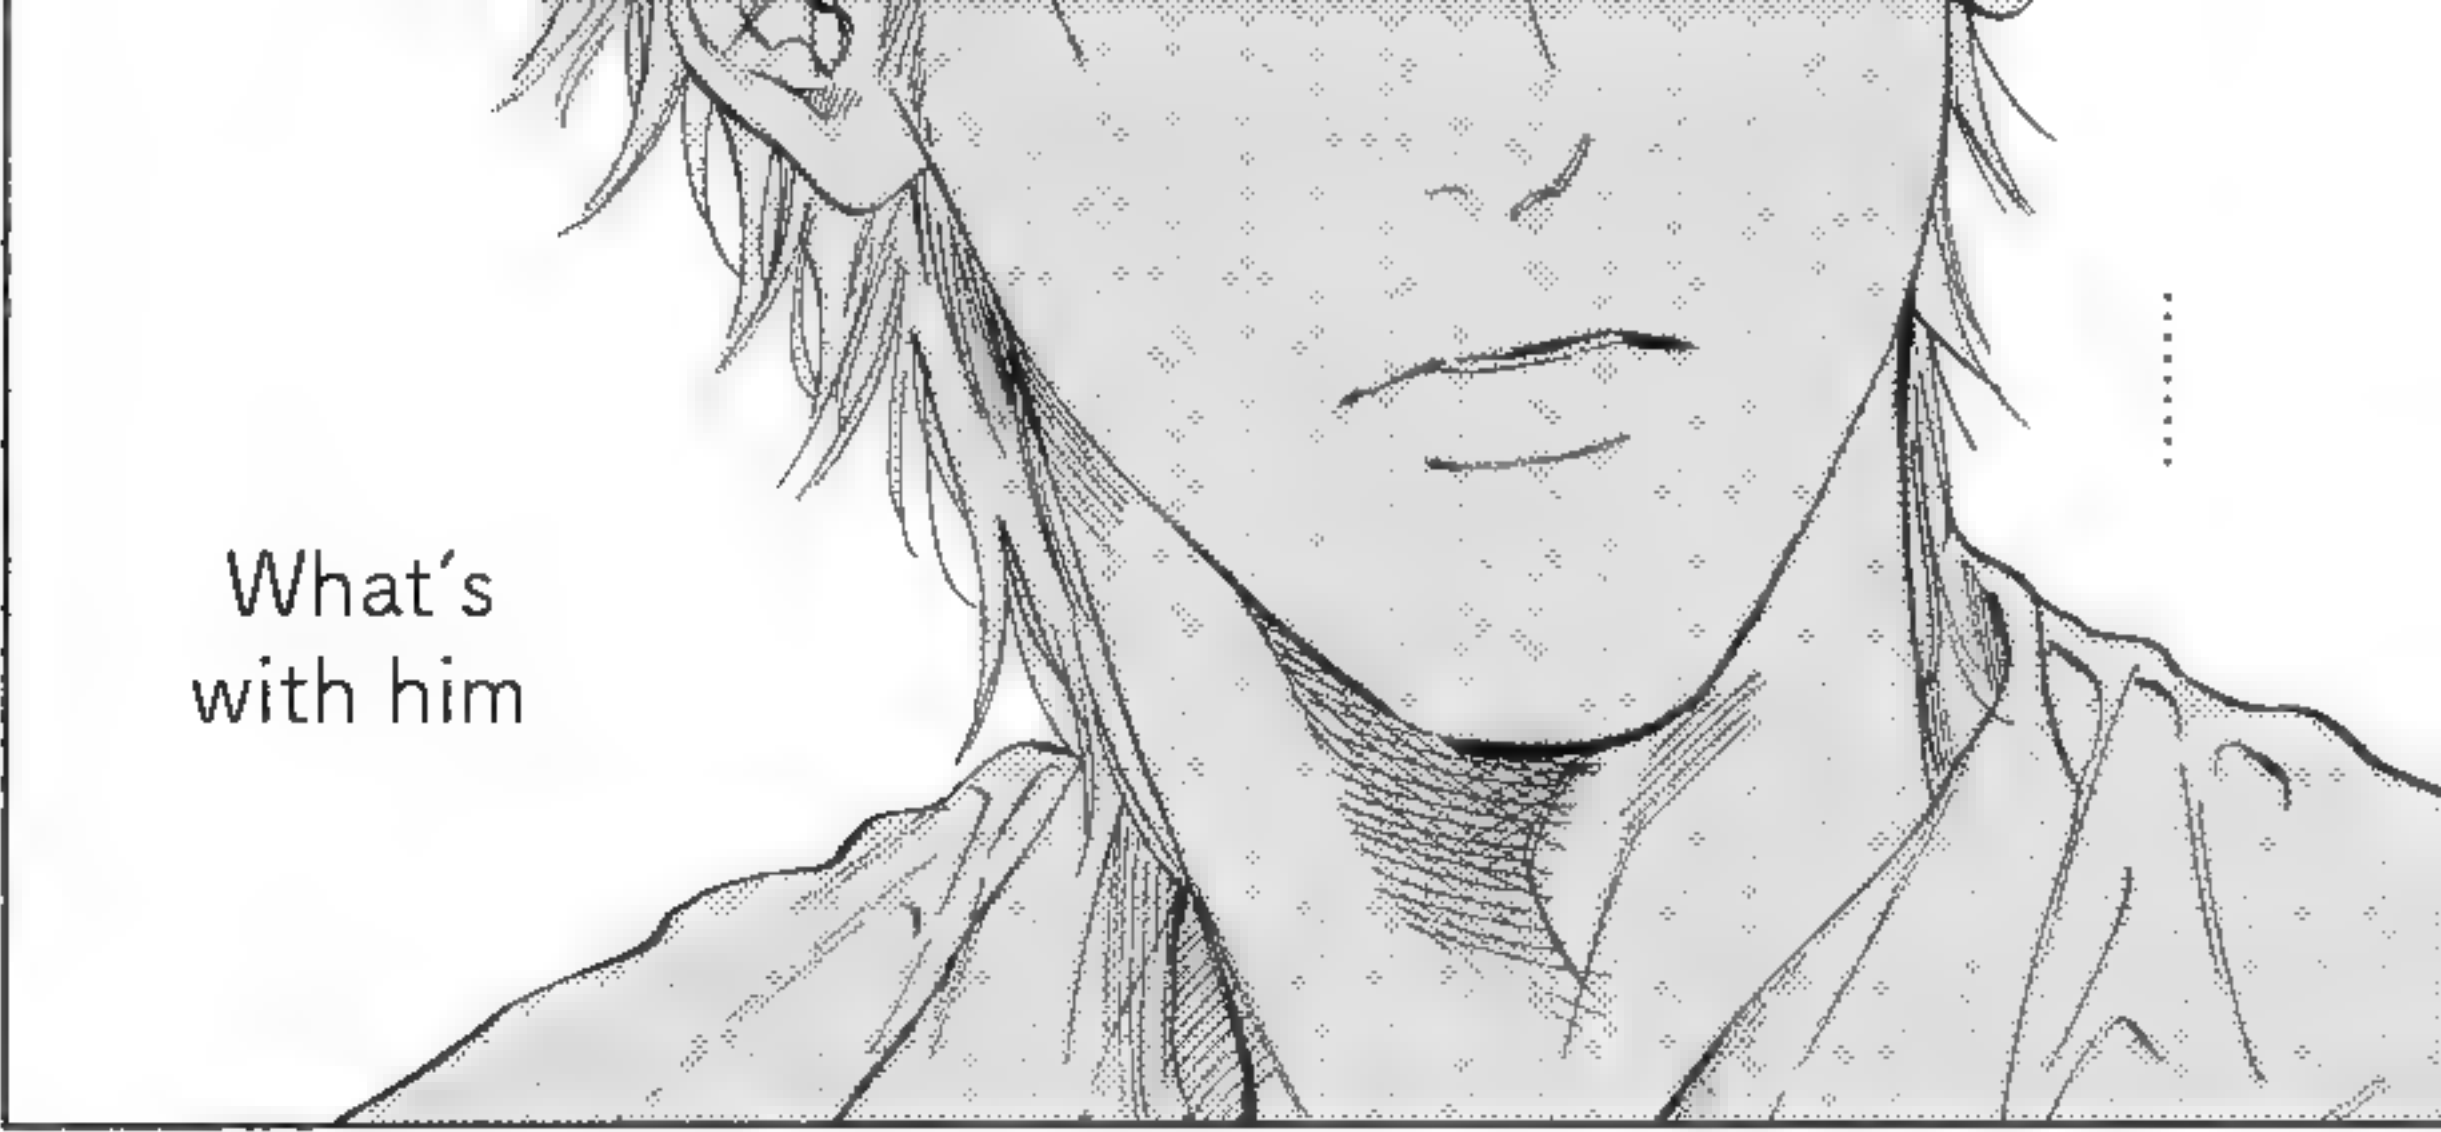

Liar!

It's  
inevitable,  
if you  
take me  
with you  
it's to do  
it.

I only  
want to  
play with  
Tatsumi

...  
You're  
wrong

What's  
with him

...|  
see

In the end,  
he's the  
same as  
those  
girls.

He only  
reacts to my  
pheromones

We're  
going  
right, to  
your  
house.

...  
Tatsu-  
mi?

Are you  
going  
home? Me  
too...

...  
Whut

...  
But still  
at that  
moment

I regret  
it.

...  
Concer-  
ning  
that

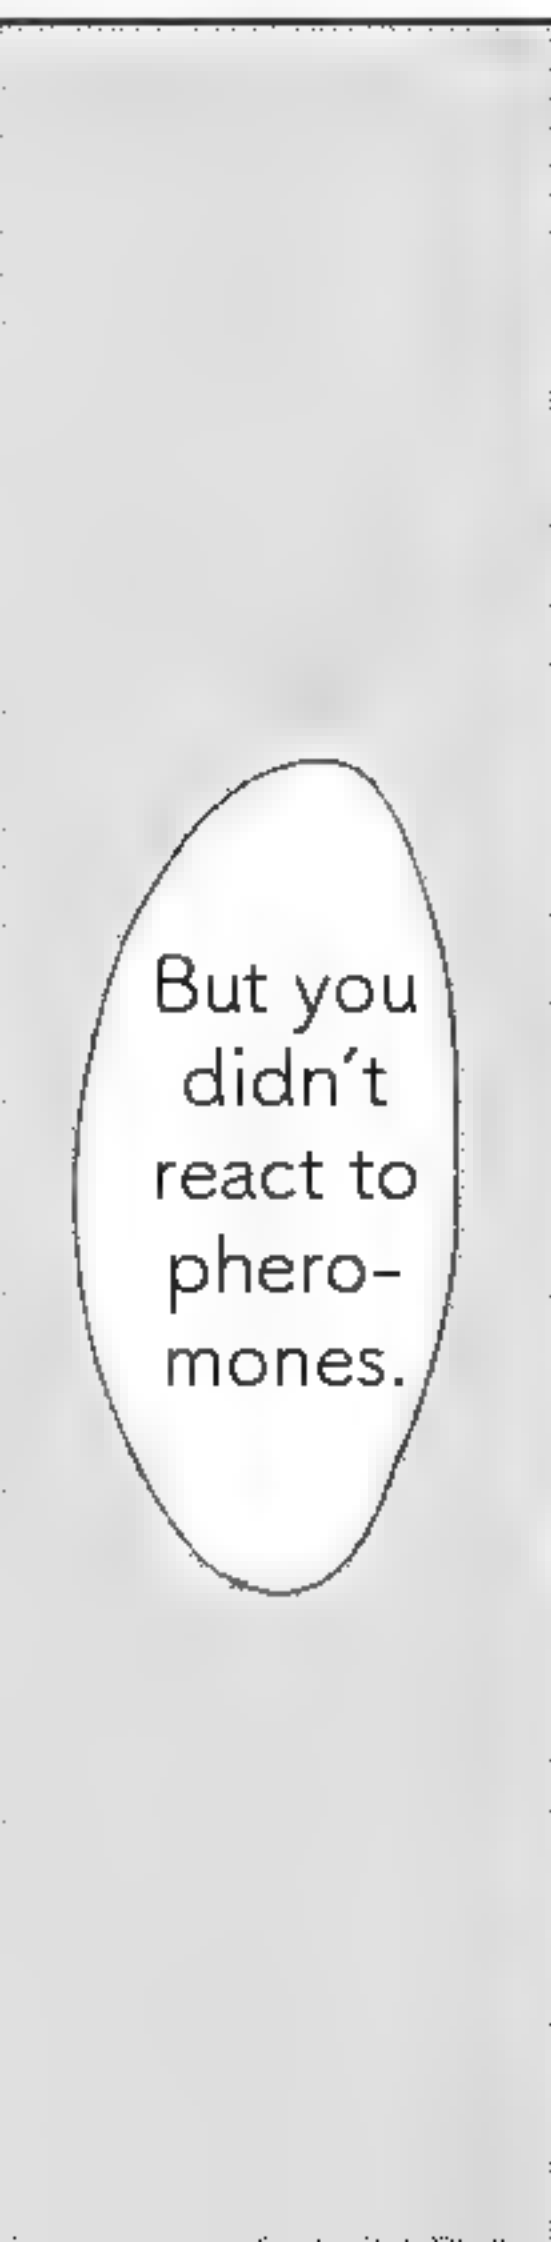

I think I  
did terrible  
things to  
Tatsumi

...  
really

**Aah  
!?**

Tatsumi's  
been told to  
be careful to  
drink the  
medicine since  
elementary school,  
I was right  
assuming you'd  
neglect this  
duty for sick  
people

But you  
didn't  
react to  
phero-  
mones.

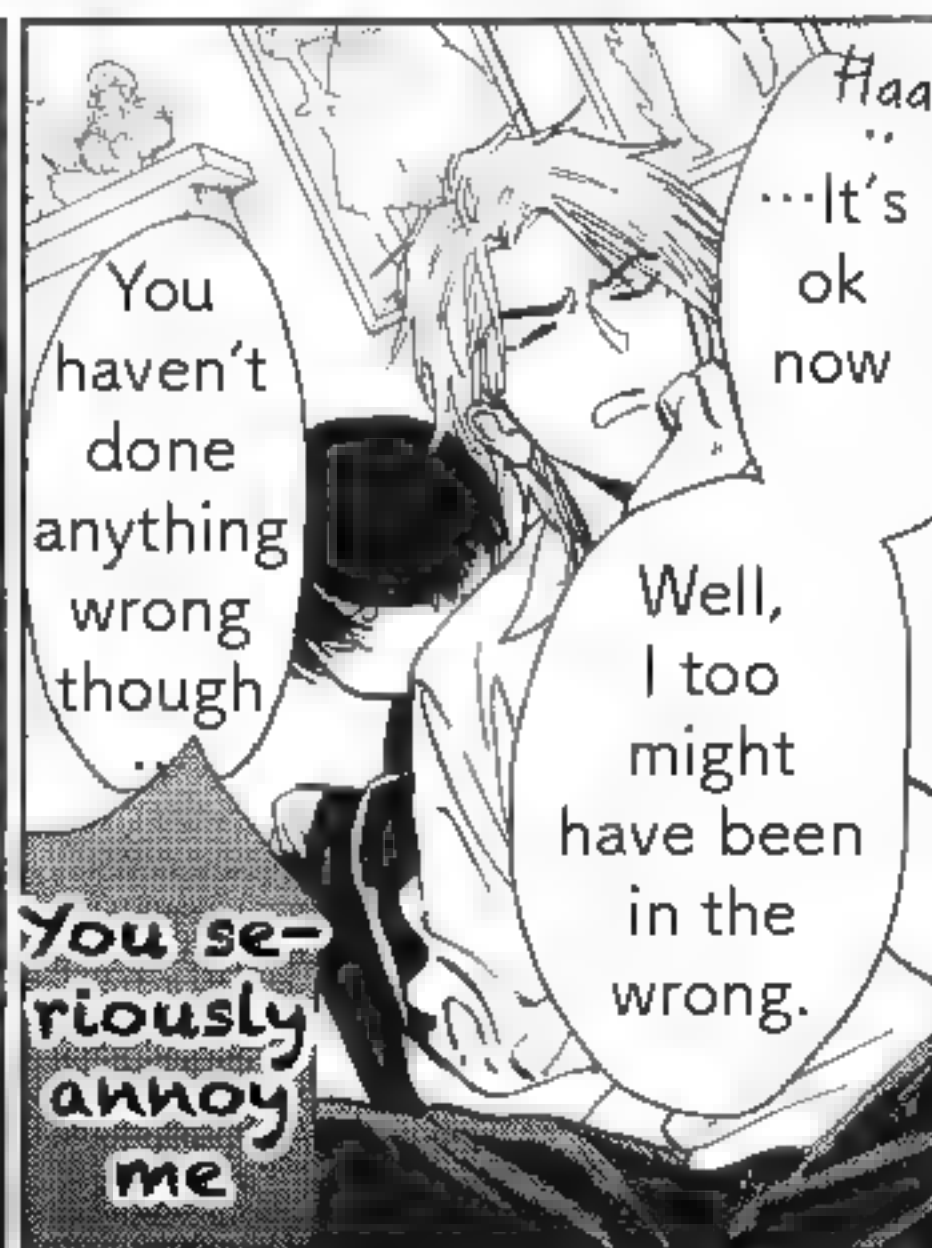

...I want  
to get  
along  
with  
you

So

Today  
since  
you  
came

I'm  
happy  
...

Haa  
...  
It's  
ok  
now

You  
haven't  
done  
anything  
wrong  
though

**You se-  
riously  
annoy  
me**

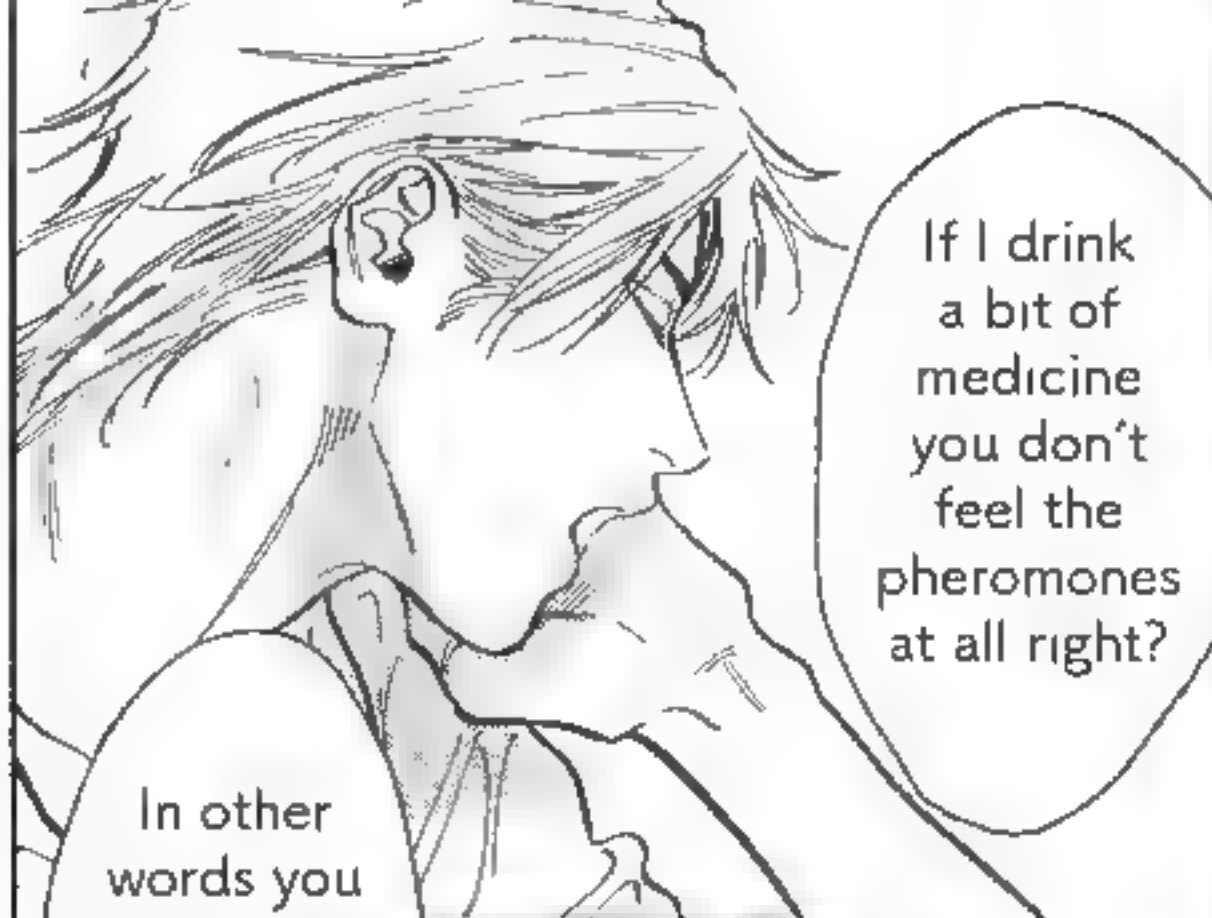

Well,  
I too  
might  
have been  
in the  
wrong.

...I  
really

like you  
Tatsumi  
that's  
why

If I drink  
a bit of  
medicine  
you don't  
feel the  
pheromones  
at all right?

In other  
words you  
have light  
feelings to  
that extent  
right?

At all

You, the  
girls as  
well

...  
Huh  
?

You  
look  
like an  
idiot,  
Thoroughly  
telling me I  
like you, I  
like you.

In the end,  
with  
medicine  
it's easily  
suppressed  
...

...  
These  
are not  
light  
feelings.

No  
...

is impossible

Not having a reaction

But truth is it's sweet in this room and I am super nervous and

Tatsumi's right next to me

It's no good how much I want to touch you now

But still I don't want you to be cautious so I was acting like there's no problem.

... I thought I could bear with it.

Since you have the medicine ...

I told you not to worry.

... I was bearing with it.

When Tatsumi drinks his medicine

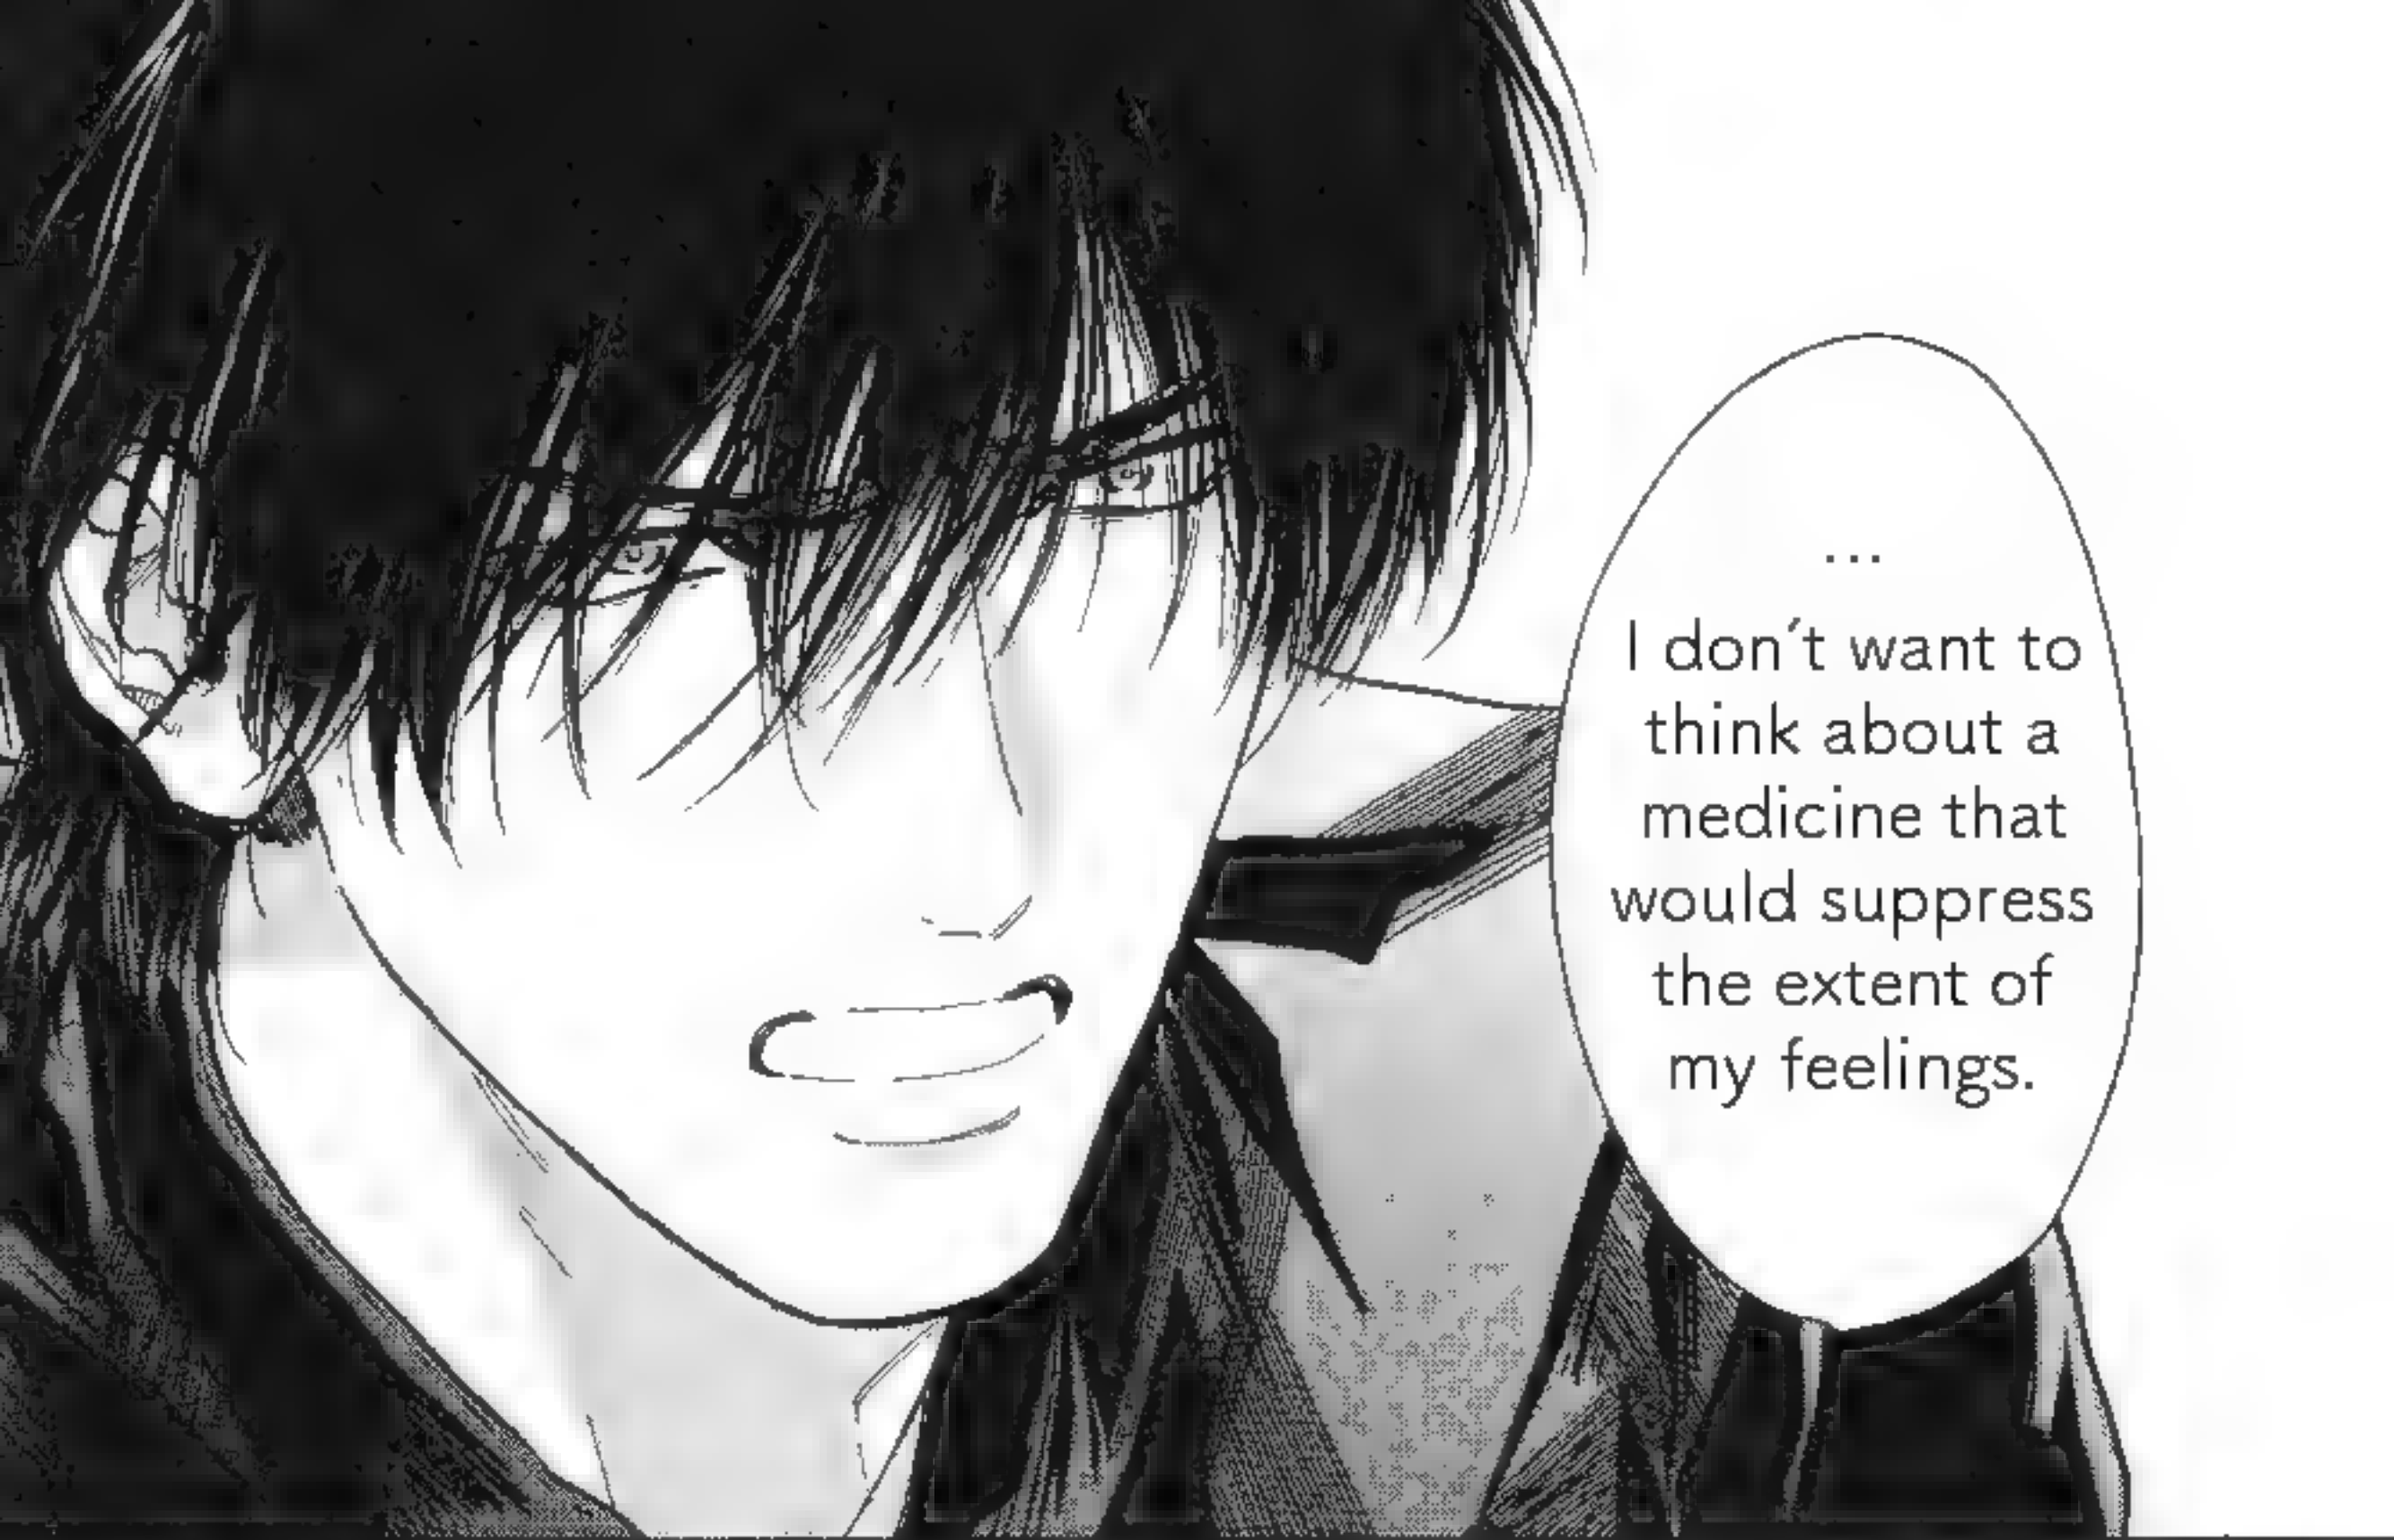

When the pheromones are suppressed

My body still feels hot

The smell is painful

I can't help that sweet smell..

...

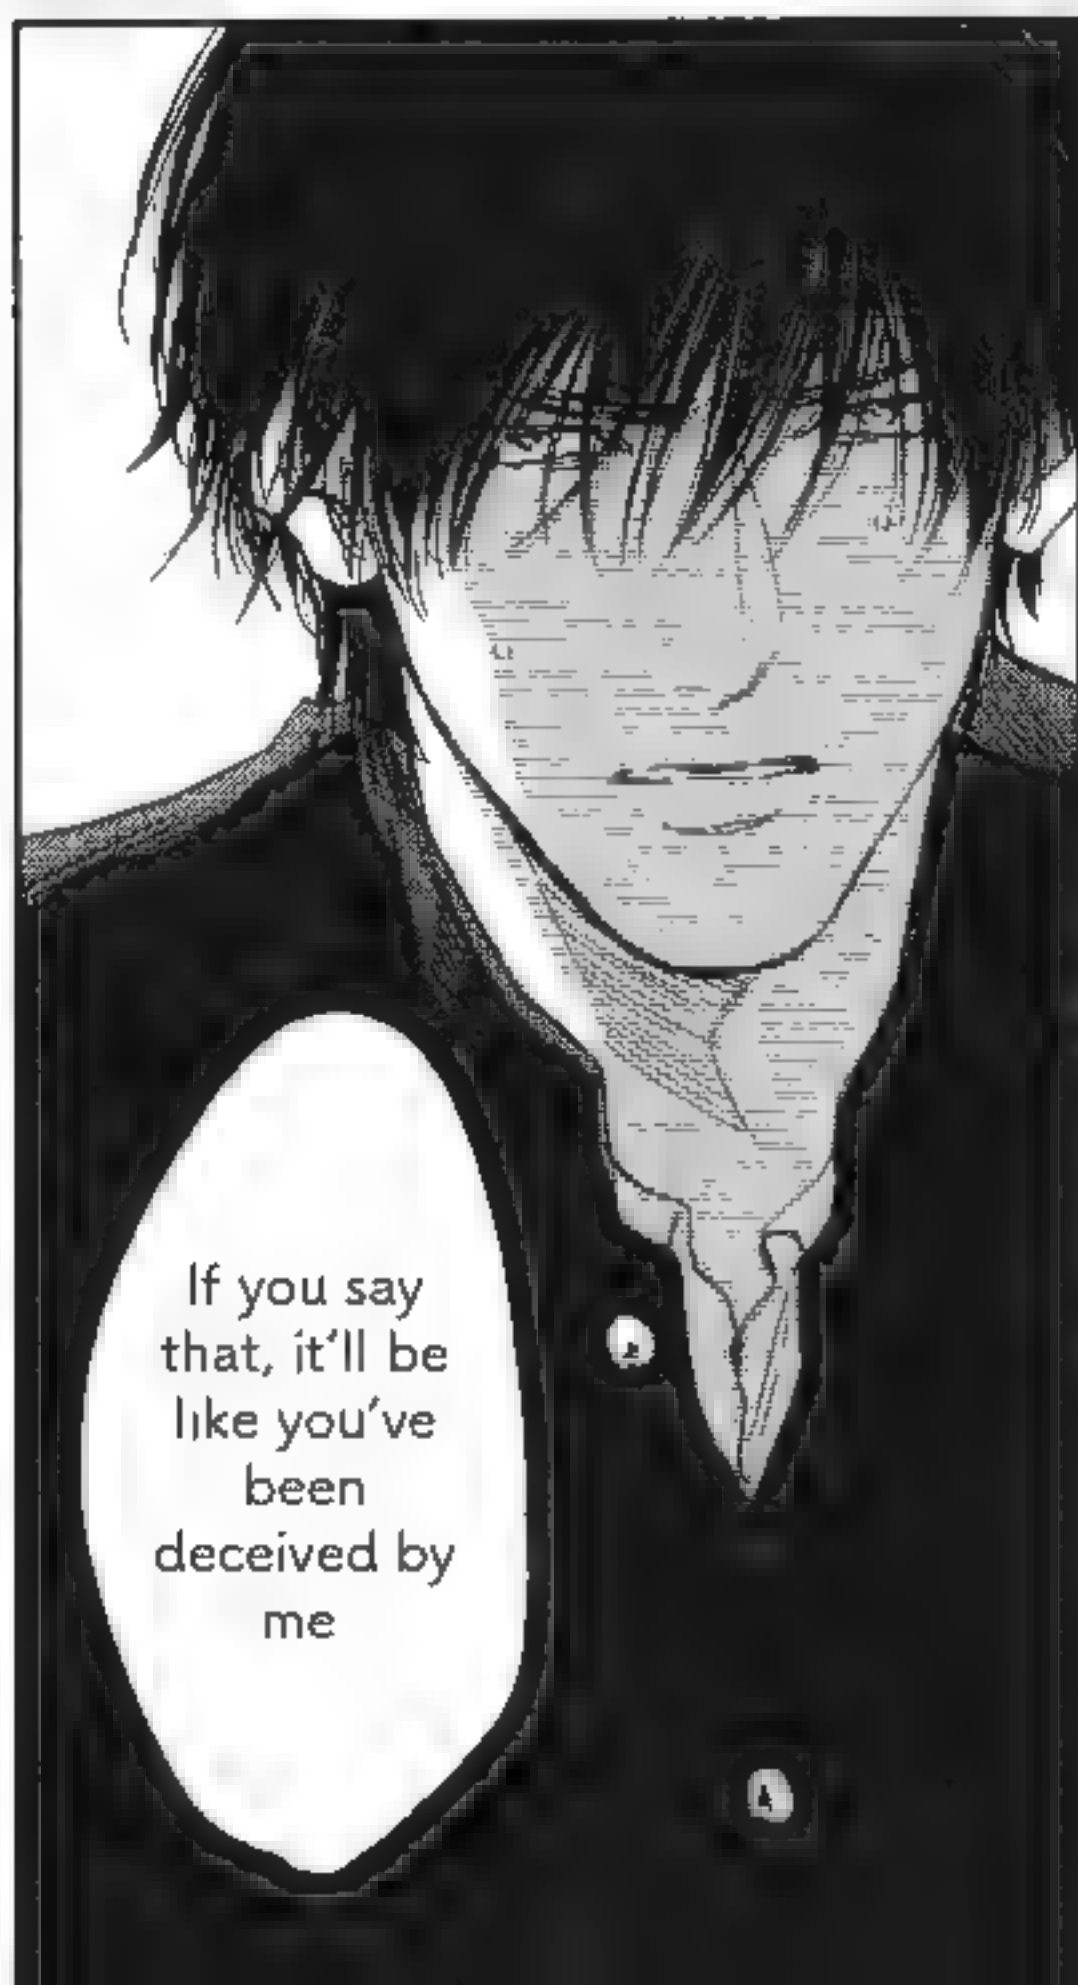

I don't want to think about a medicine that would suppress the extent of my feelings.

of air ...

... a bit

... Tatsumi?

...I won't forget it my whole life.

Such humiliation ...

.....

There's no way I'd forget that right.

... Because of you I've been accumulating

... Tatsu-mi

Can we do it?

Even if  
Tatsumi  
didn't have  
the  
pheromone  
syndrome

...I  
couldn't.

.....  
Ah

Aa  
...!

Ha  
..

Ha..

...Aah

Haa

Ha  
..

From  
now on  
do it  
only  
with  
me?

Ah

Hm...

Ha...

As I

said  
...

Only  
thi...

time

Ah

Sto

Ha...

Tatsumi...

Who

would

Ha...

Ha...

Hey,  
will you  
date  
me?

Become  
mine  
only...

Wh...

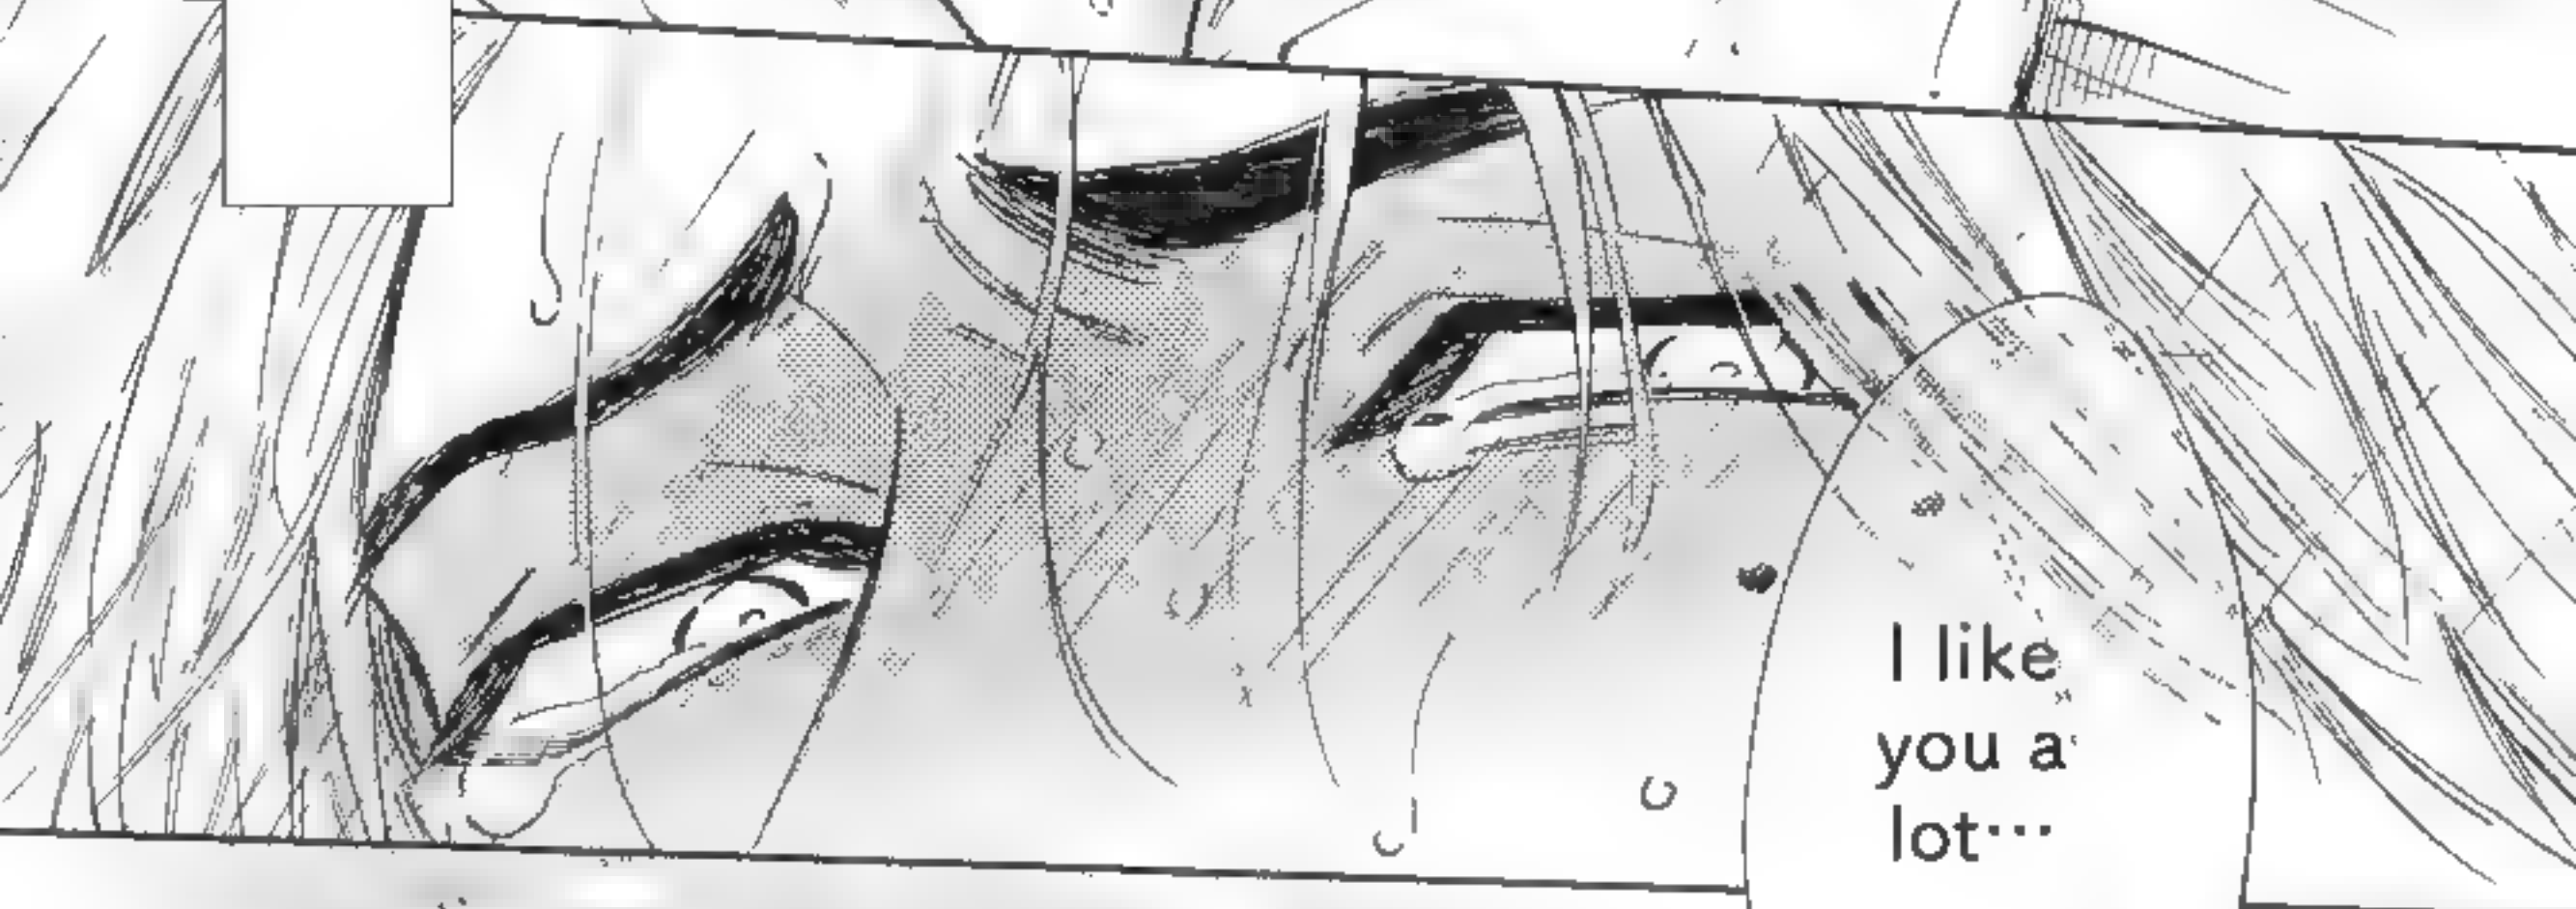

Ah  
...

No  
good  
...

Tatsumi

I'm  
happy  
...

I like  
you a  
lot...

It might  
not be

Somehow

bad  
...

Tatsumi,  
what do  
you want  
for  
dinner?

Anyway,  
you're  
staying  
here.

Mmh  
...

..  
morning

...But I  
wanted to  
be with  
Tatsumi  
more.

...Hey,  
tonight  
can you  
sleep  
over?

...  
Huh?  
Night  
!?

I've  
called  
your  
family so  
it's ok.

You could  
have woke  
me up, why  
were you  
looking at  
my sleeping  
face!

Your mother  
is named old  
hag though so  
I was  
wondering  
what to do.

I  
renamed  
it mom.

What  
are you  
doing  
by  
yourself  
!

...  
Anyway  
if I say  
no we'll  
still do it  
right.

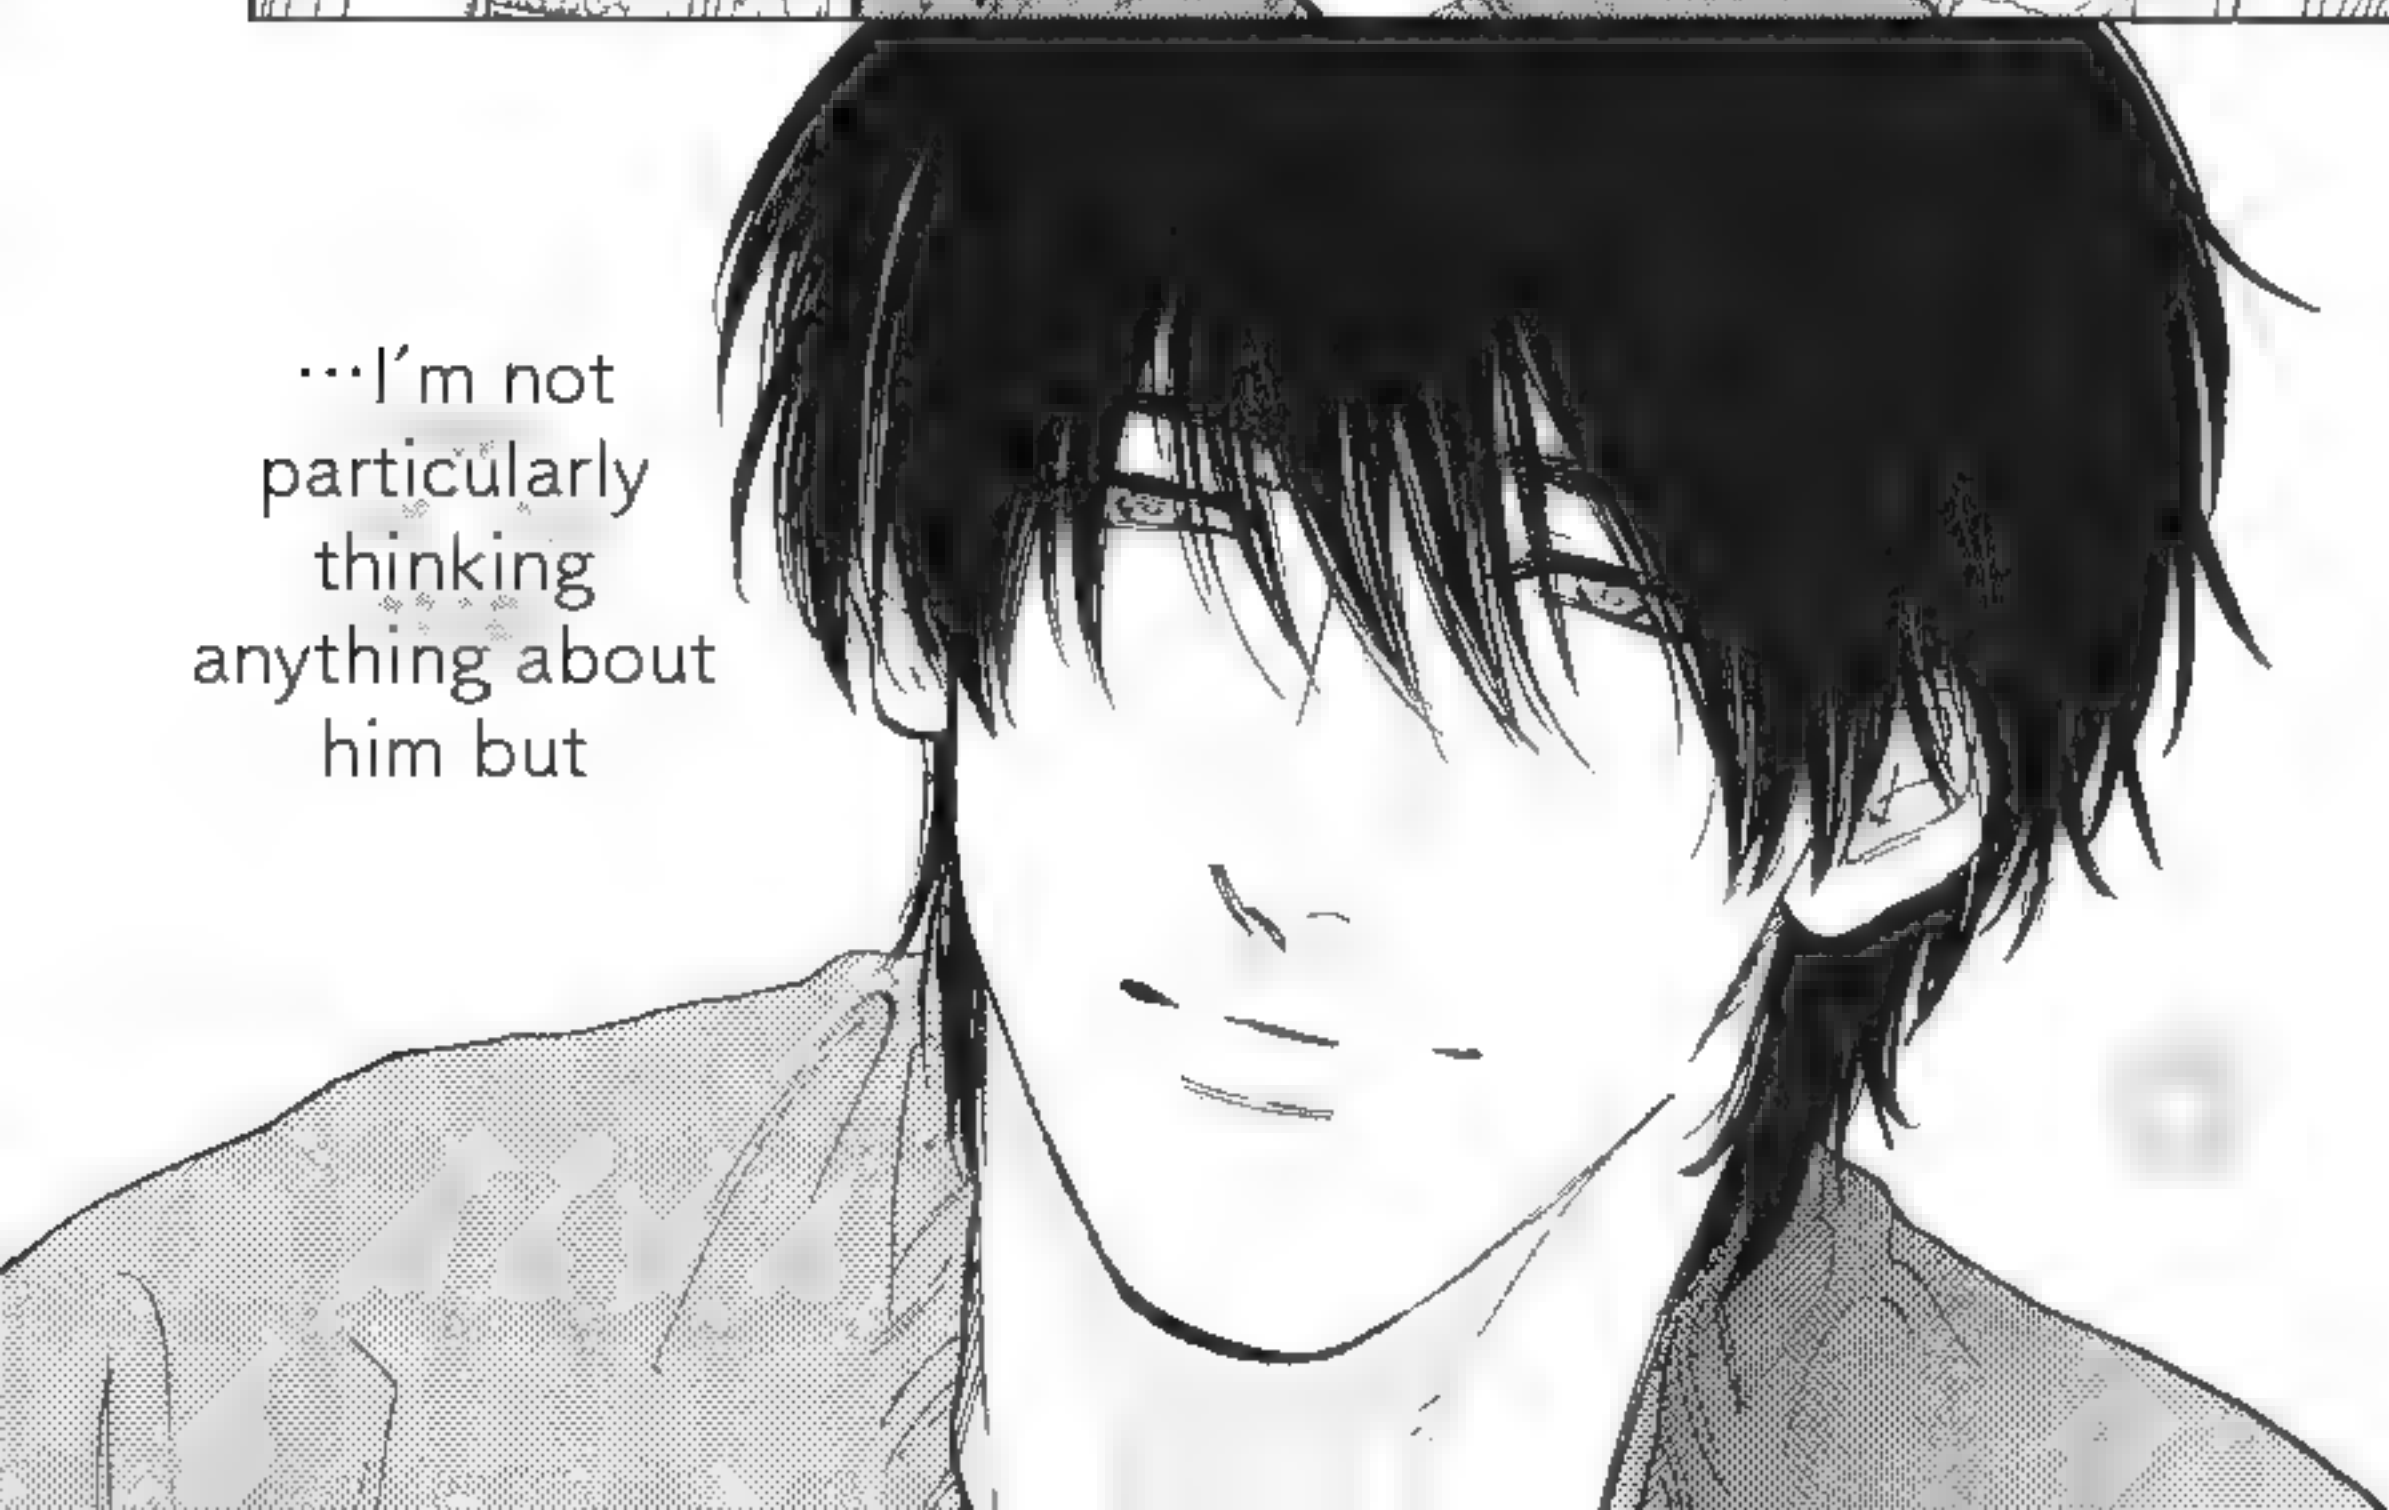

Then can  
we do it  
once  
again?

Do  
whatever  
you  
want...

...I'm not  
particularly  
thinking  
anything about  
him but

For now he  
says he likes  
me so

Oh well

I can try to  
date him a  
bit ..

...  
Because  
the sex  
feels  
good.

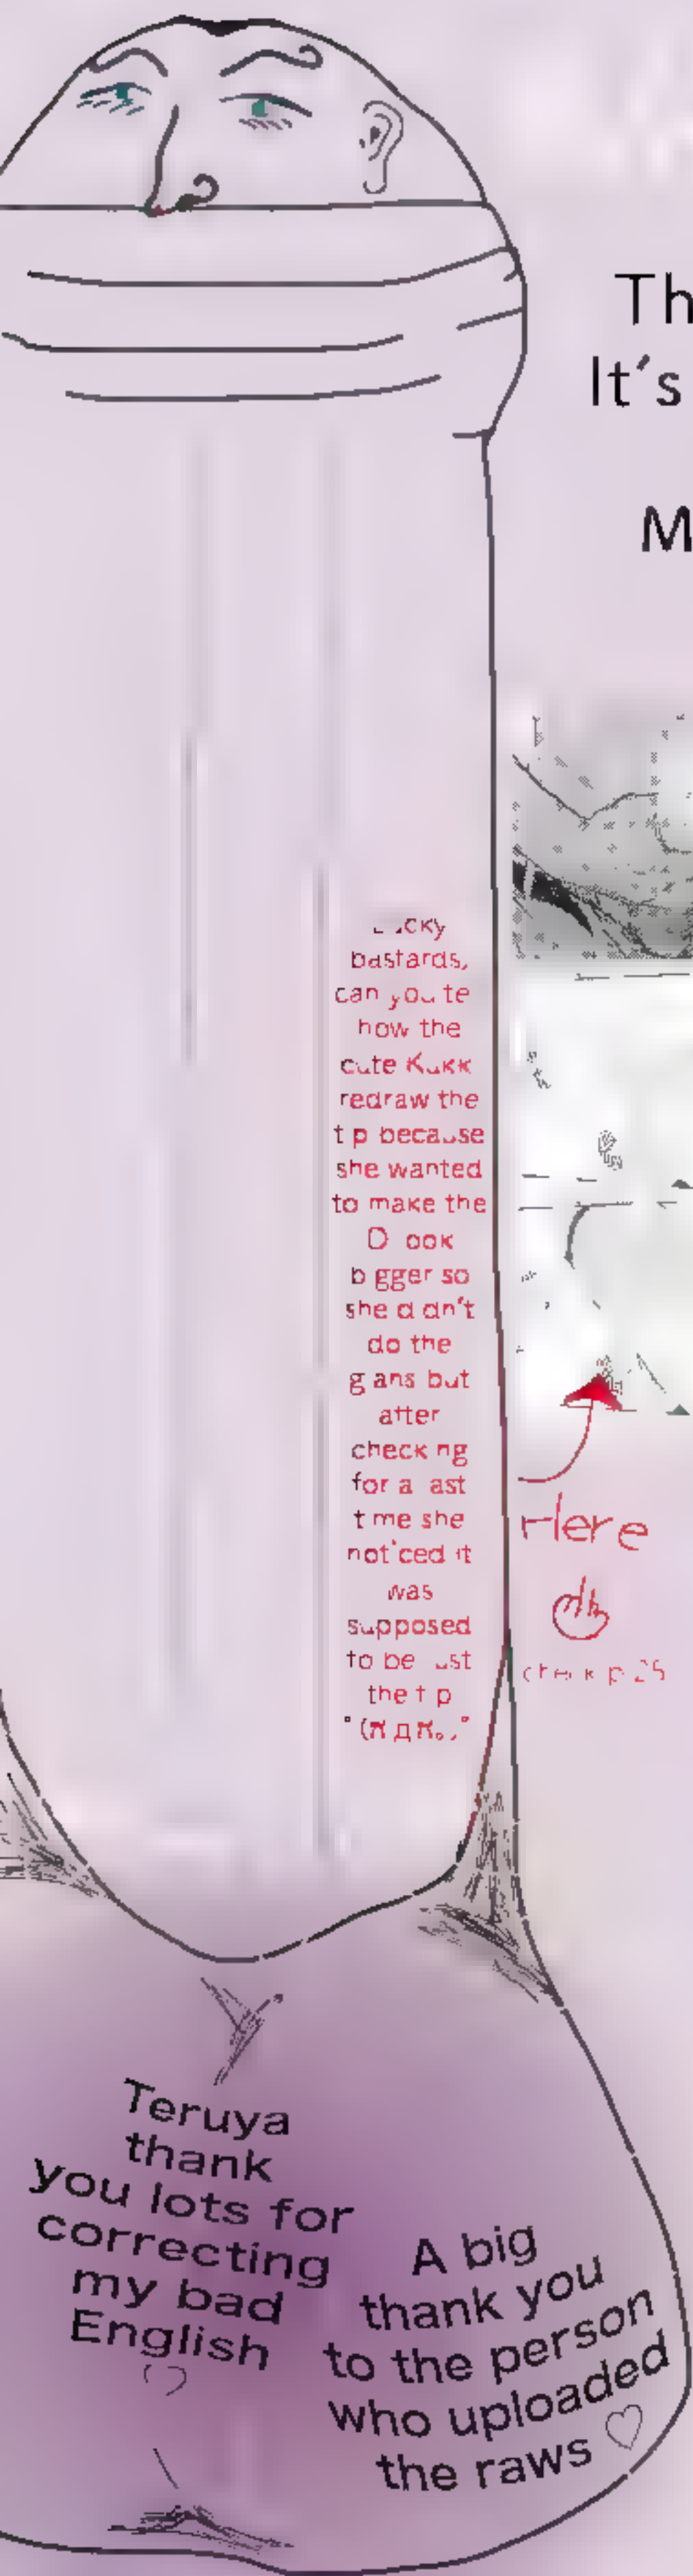

Roleplay  
edition.

Wait, don't  
take  
who's  
wearing  
that!!  
**advantage**  
**of me,**  
**disgusting**  
**otaku!!**

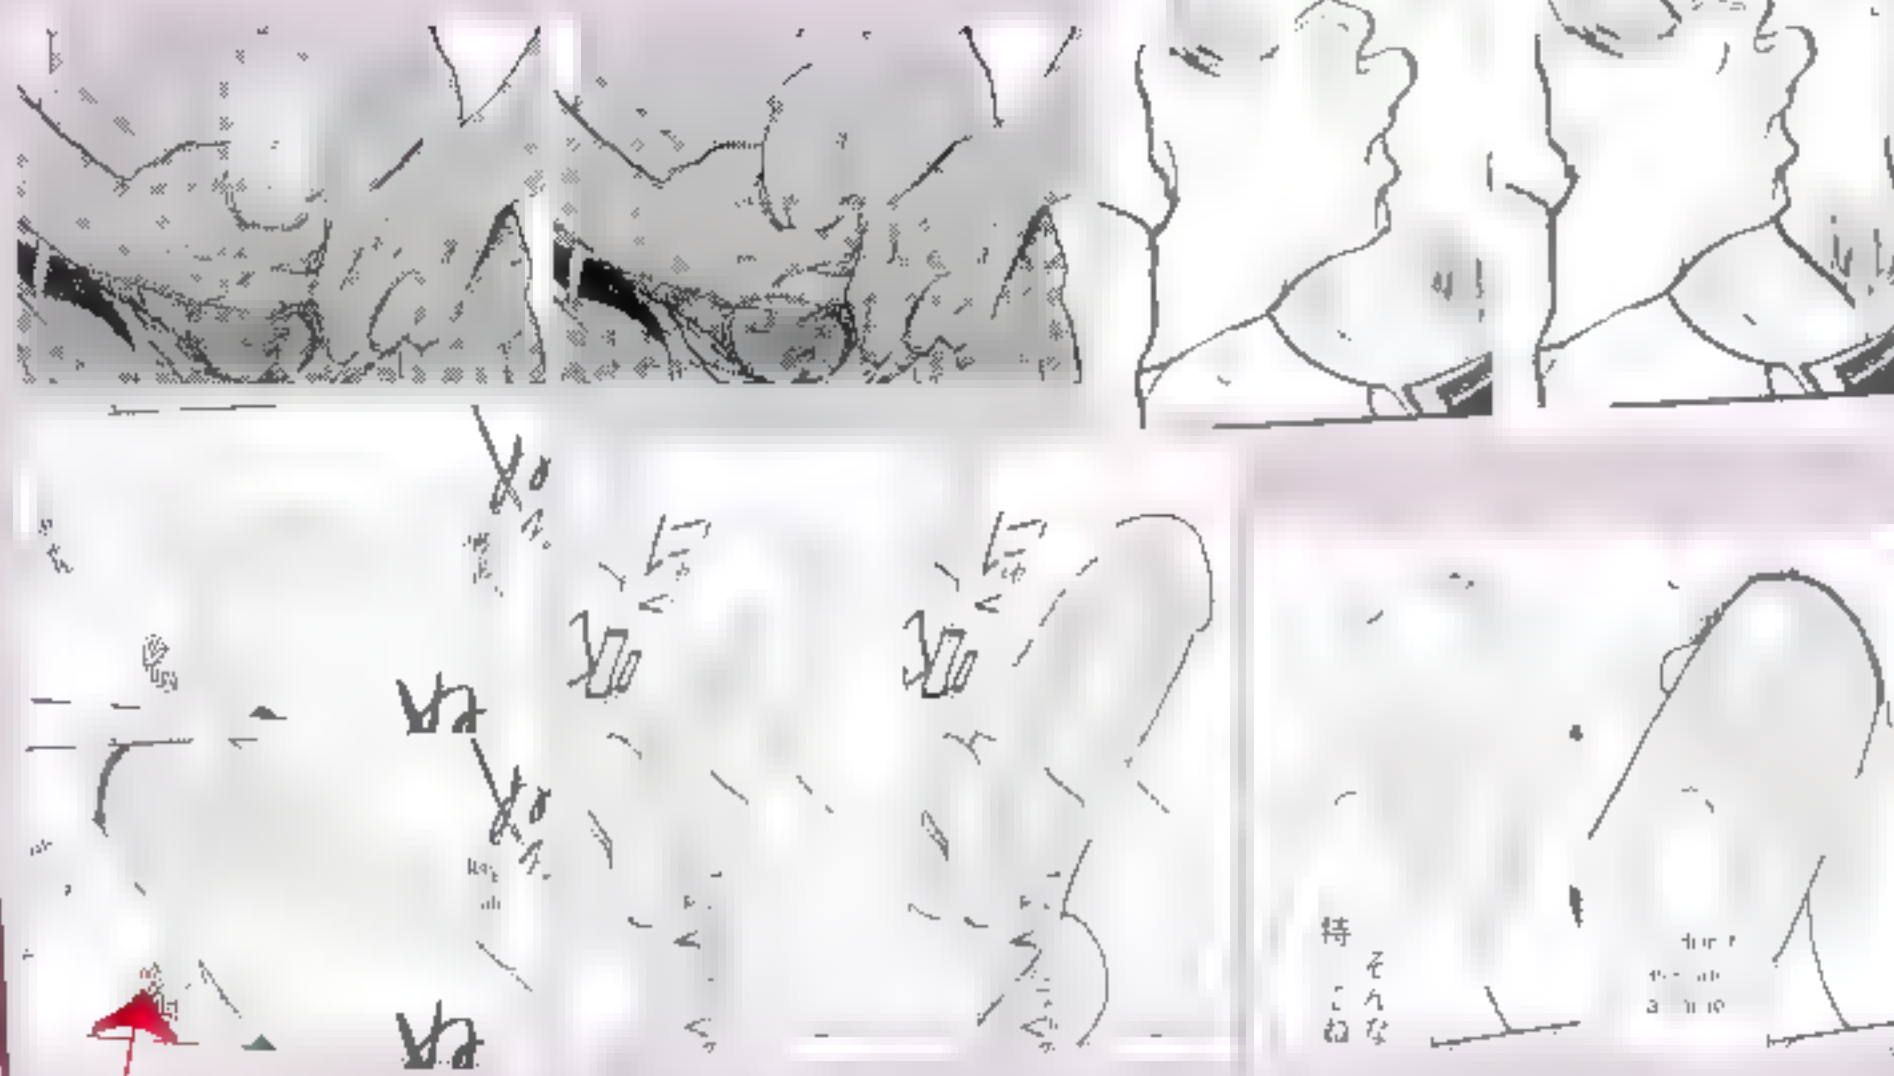

Since you  
said to do  
whatever I  
want, I  
want you to  
cosplay as  
Nattsun.

Tatsumi,  
let's go on  
a date.

Not  
at all.

うん

...  
I've been  
wondering  
from the start,  
don't you get  
embarrassed?  
Saying such  
things

That's my  
line! Why  
do I have  
to go on  
a date  
with ya?

Why?

.....I  
don't want  
to.

No  
special  
reason  
Since  
we're  
dating  
it's  
normal

So  
they  
are  
dating  
...

They  
are  
dating  
...

I don't only  
want to see  
you in  
school, if I  
don't see  
you I'm sad.

Shit ...

What's that, he's actually self-centered.

Sat-ur-day

You really don't don't do listen to as you wish what people say!

Let's meet at the station Saturday, I'll text you the time later.

Right

Tatsumi's unexpectedly weak when people come at him compelling

Huhuhuhu, is it their first date ~

...  
Tatsu-mi!

It's youth ~

Ooh I'm envious ~

By the way, those guys's foppish faces irritate me so much...

...  
It's accidental, I'm normally punctual.

You are really rude ...

It doesn't fit your character

\*T.M. It's very rude to be late in Japan, and he doesn't even excuse himself.

old-fashioned

.....  
...By the way

Ha..

...I thought you would definitely not be late.

Come  
for a  
min!

...  
Who's  
every of  
you?

Why does  
each and  
every of  
you have  
this look...

Compared to  
these  
disgusting  
otaku, your  
face and  
figure is much  
better so show  
more  
concern...

...In  
other  
words

Anyway,  
choose a tee  
and pants  
that fits you.

Your  
top is  
ok so

...  
Huhu

That's  
not  
it...!

Tatsumi  
particularly  
likes my face  
and body...

Why &

what's &

it ?

You are

there will be a

you have no

it.

.....  
That's

Thank you for waiting~  
Here's Mimi's recol-

Asagiri-senpai's  
sandwich,

Kaya and  
Saya's mix  
juice,  
Mamiko's  
choko and  
choco  
parfait!

That's  
not  
what I'm  
talking  
about...

Ibas\* is  
famous over  
boys and girls  
for its quality  
so coming  
among boys is  
not odd

It's  
ok

This  
shop is  
super  
uncom-  
fortable

.....  
Hey

There is a reminiscence for all the characters from Ibas in addition to the admiration of their appearance on the scene, which is not everything ; they are very popular and to get these cards regularly frequently come ...!

Eh!? It's the card of the legendary top idol Matsuyama Momo-ko-

What? Is it such a great thing?

Ah... Sorry, it's just...!

... Huh?

Eh!?

... Then take it.

It's awesome! Such a super rare card is a hit! I had heard it never comes out!

I'm so happy...! Thank you very much!!

Hey, hey, let's upload a picture!!

... That is

I knew it, it's better not to ask their contact addresses...

It's ok, but in exchange ...

Eh, eh, but

Is it really ok...!?

I'm not especially interested by it and

It's better if guys who like it get it.

Hey

What's with you ignoring me since earlier?

You're surprised about the asking thing...

You asked someone out in the middle of the date, I don't get you.

... Of course

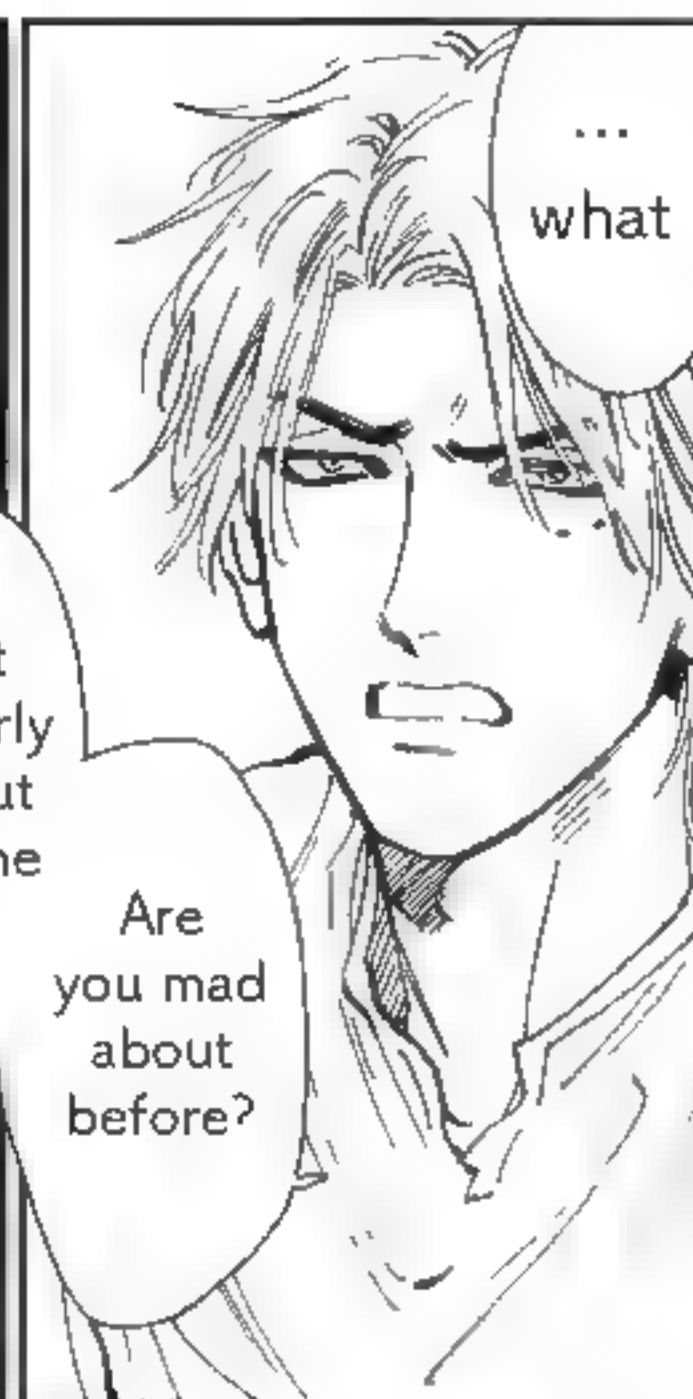

Then why are you mad! Say it clearly, it's irritating!

.....

I wasn't particularly asked out so it's fine right?

Are you mad about before?

... what

I want Nattsun but I wanted Momoko too.

That's because it wasn't the character you like right?

... Aah?

... The rare card

You didn't give it to me.

Don't talk so much!!

As if I'd know!

Anyway, you're growing up, card stuff and anime stuff are for kids, it's the good moment to graduate from it!

It's not only paper  
This cafe had the characters designed by Gomapurin\*-sensei, and the images were announced one year before it starts and it had become a topic of conversation for the fans, though I never was part of it but depending on the characters, it is sold at a high price and the Momoko from earlier is super expensive and can rise to a billion so it draws attention, it's to that extent, this collaboration cafe's Momoko card is extremely rare and this

\*« Sesame pudding » sensei

Then say so!  
To begin with, what's the point of collecting such thin sheets of paper.

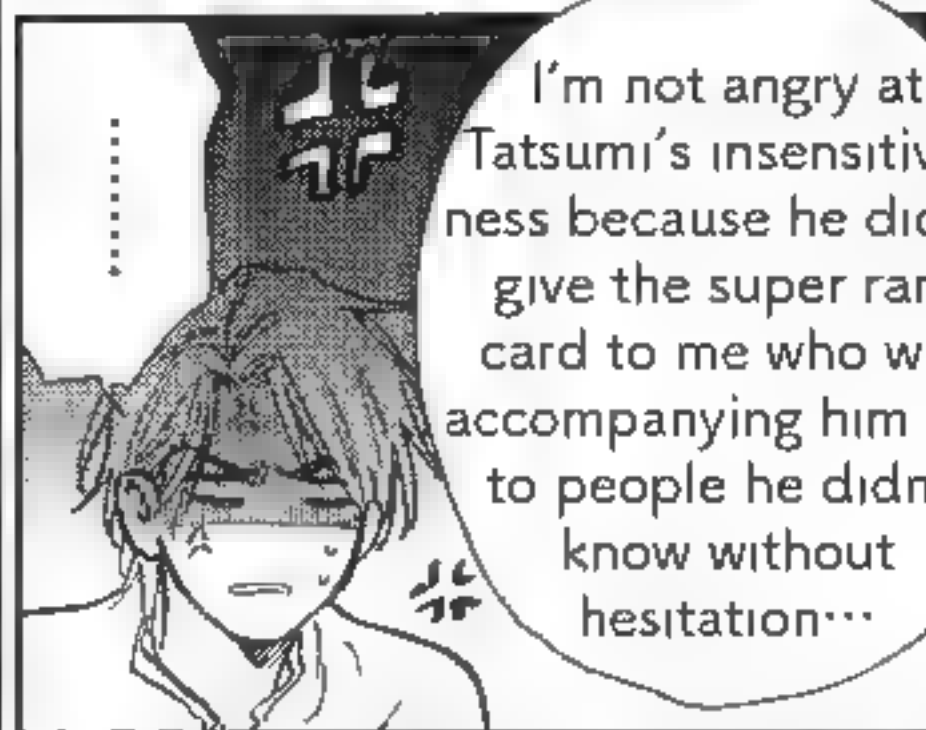

is my birthday ...

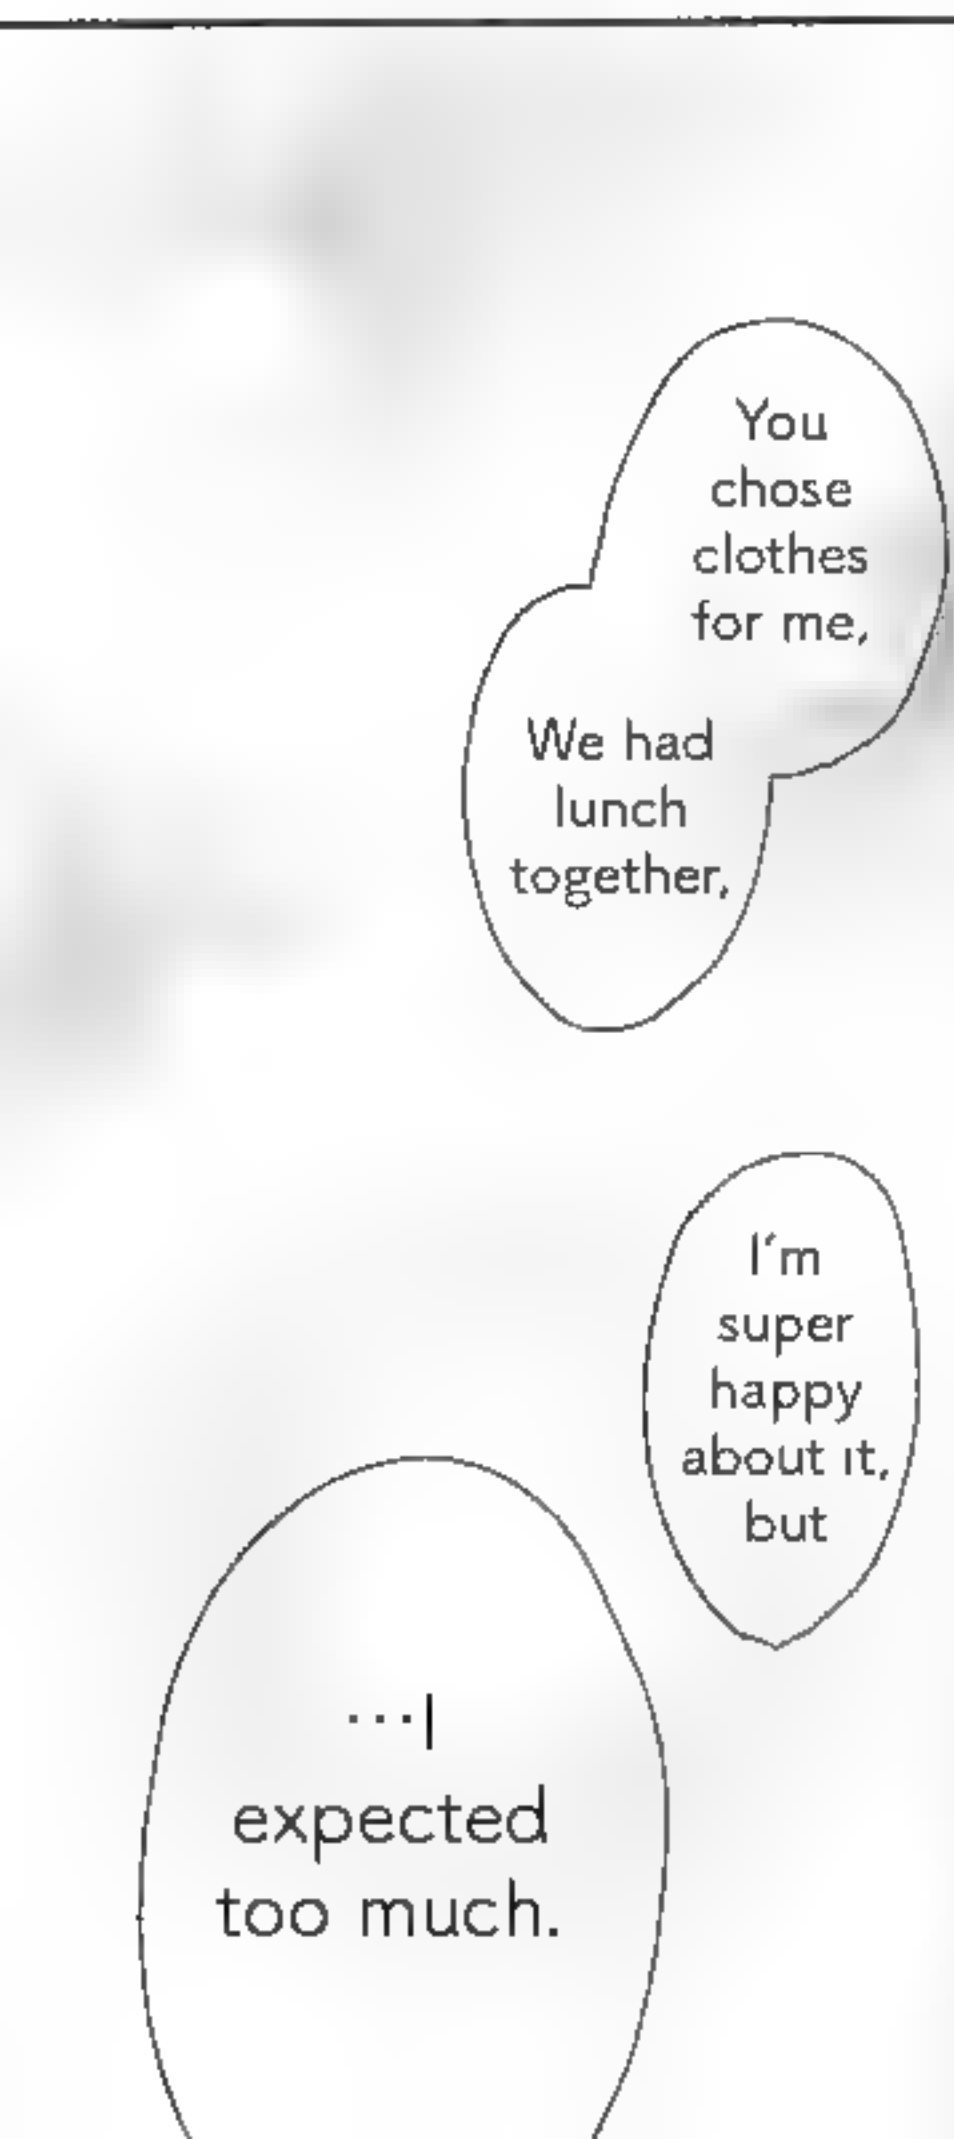

Today

...  
.....  
No-thing

I'm not angry at Tatsumi's insensitivity because he didn't give the super rare card to me who was accompanying him but to people he didn't know without hesitation...

You chose clothes for me,  
We had lunch together,

I'm super happy about it, but

...I expected too much.

.....  
Sorry

It's not like I wanted to be happy and hope for a good year so I didn't say it.

No-thing

.....  
Huh?

It would have turned into a present ...  
If I had received it from Tatsumi.

The card from before

Listen  
please...

Don't  
take it  
for  
word!!!

Tatsumi  
said I  
could ask  
for  
anything.

You... You  
couldn't  
have  
asked for  
something  
less  
worse!?

Where  
did the  
modesty  
from  
before  
go?

Are you  
seriously  
just about  
that...?

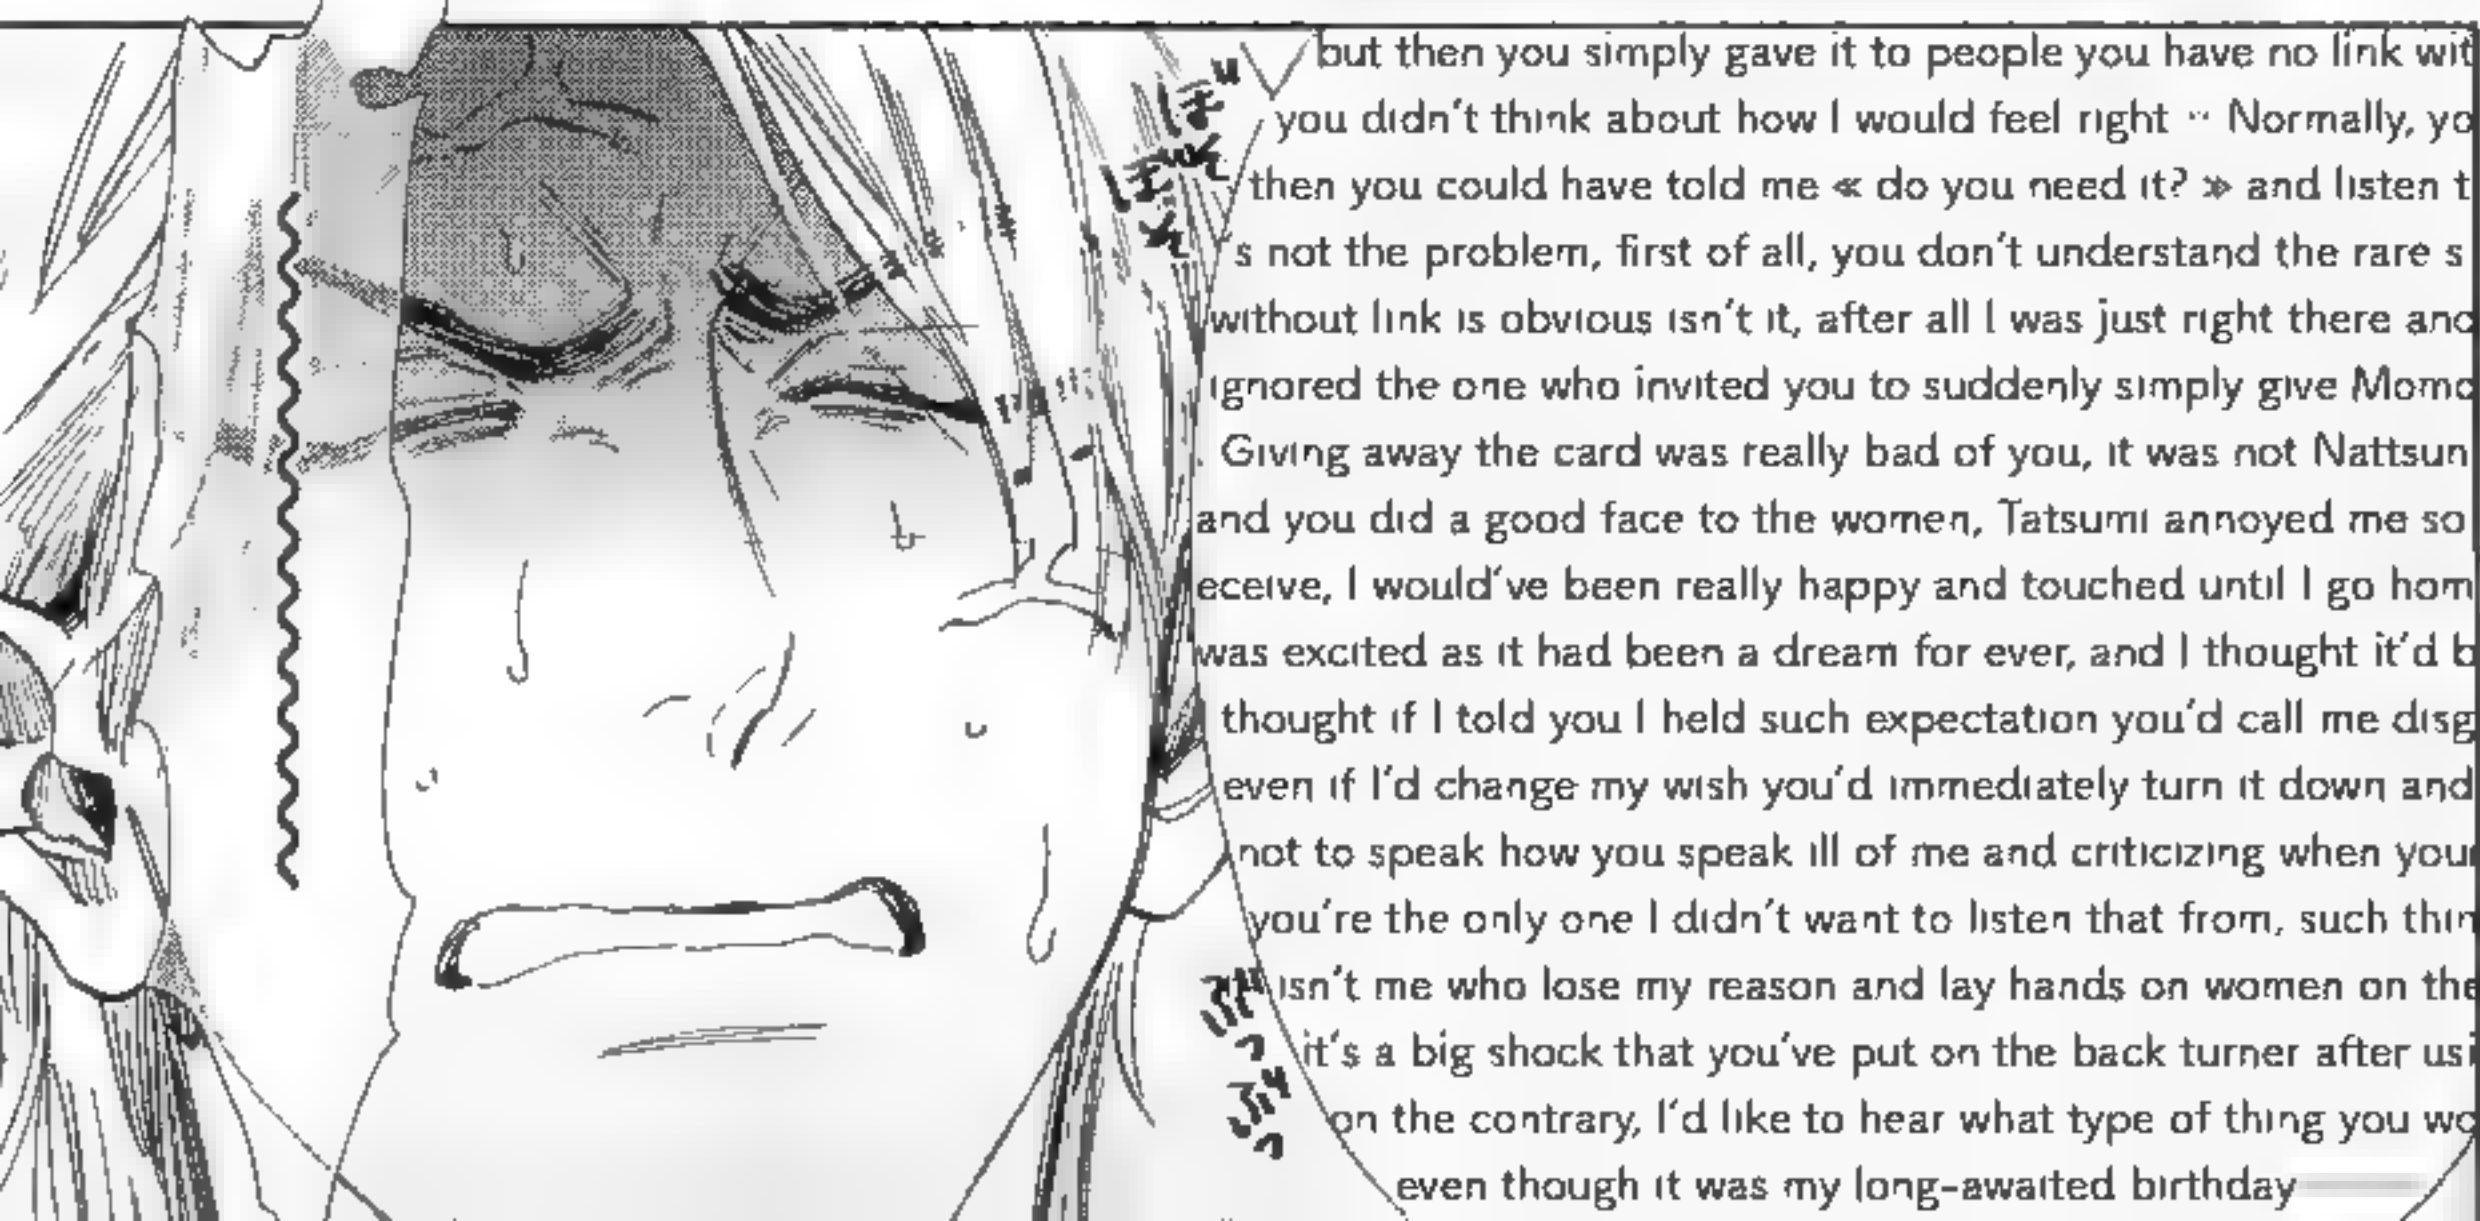

To have  
sex with-  
out your  
suppres-  
sant.

...  
So my  
other  
wish is

Let's have  
sex as you  
cosplay as  
Nattsun.

Who's  
doing  
that  
you  
disgus-  
ting  
otaku

but then you simply gave it to people you have no link with you didn't think about how I would feel right .. Normally, you then you could have told me < do you need it? > and listen to me it's not the problem, first of all, you don't understand the rare card without link is obvious isn't it, after all I was just right there and ignored the one who invited you to suddenly simply give Momoko. Giving away the card was really bad of you, it was not Nattsun and you did a good face to the women, Tatsumi annoyed me so much to receive, I would've been really happy and touched until I go home I was excited as it had been a dream for ever, and I thought it'd be a good thing if I told you I held such expectation you'd call me disgusting even if I'd change my wish you'd immediately turn it down and not to speak how you speak ill of me and criticizing when you're the only one I didn't want to listen that from, such thing isn't me who lose my reason and lay hands on women on the contrary, it's a big shock that you've put on the back turner after using me on the contrary, I'd like to hear what type of thing you would say even though it was my long-awaited birthday

Nattsun  
(into  
male  
body)...

Amazing  
.....

Tatsumi...  
Crossdressing doesn't  
fit you for an ounce,  
but still there really is  
a Nattsun feel coming  
out... There is no  
more talent...

I'm  
gonna  
bump you  
off, you  
seriously  
.....

...  
You're  
ultra  
cute

Ah...  
...

.....On the  
contrary, if  
you get an  
erection with  
that you're  
awesome...

...Can we  
really do it  
like this?

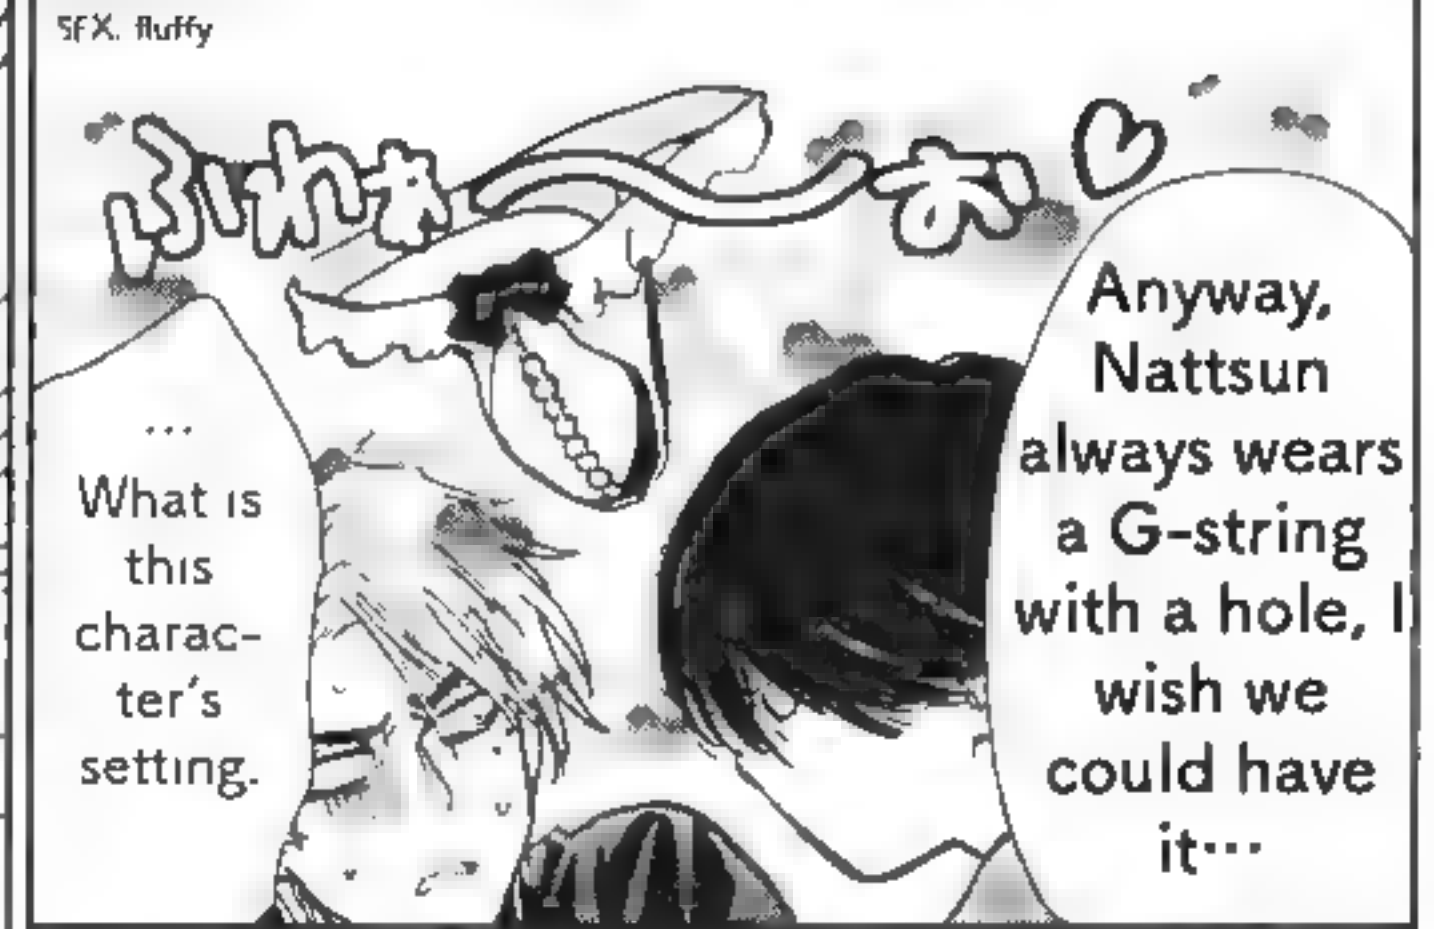

Idiot  
stop  
it!!

Why?

You  
like  
fellatio  
right,  
Tatsumi?

Somehow  
picturing  
that is  
disgus-  
ting!!

I'm  
gonna  
take it  
off so...

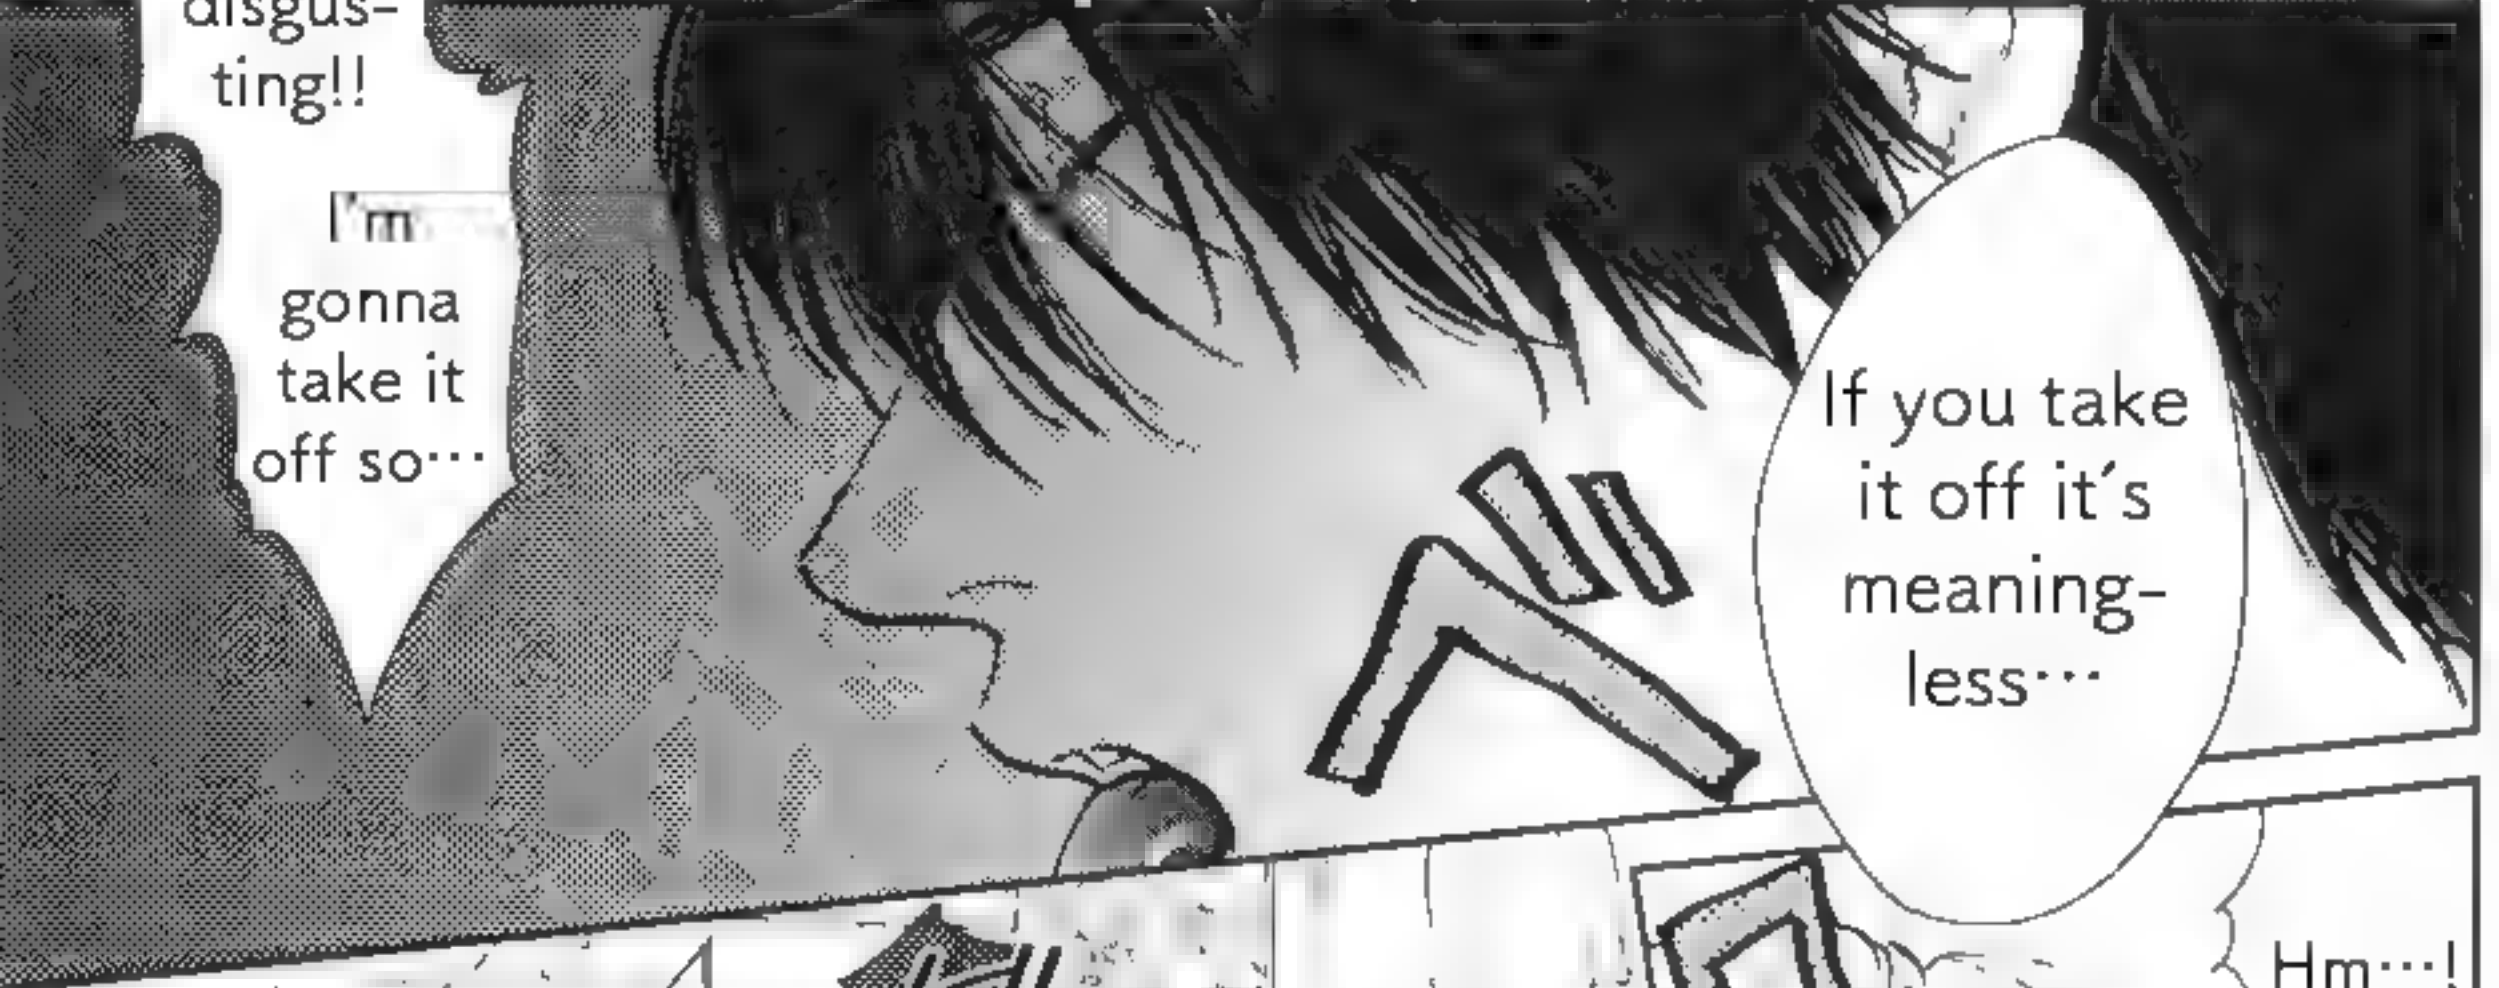

...  
What is  
this  
charac-  
ter's  
setting.

Anyway,  
Nattsun  
always wears  
a G-string  
with a hole, I  
wish we  
could have  
it...

Waah

Well  
it's ok

If you take  
it off it's

Tatsumi won't do it with women anymore.

.....Is it...?

It's no problem right?

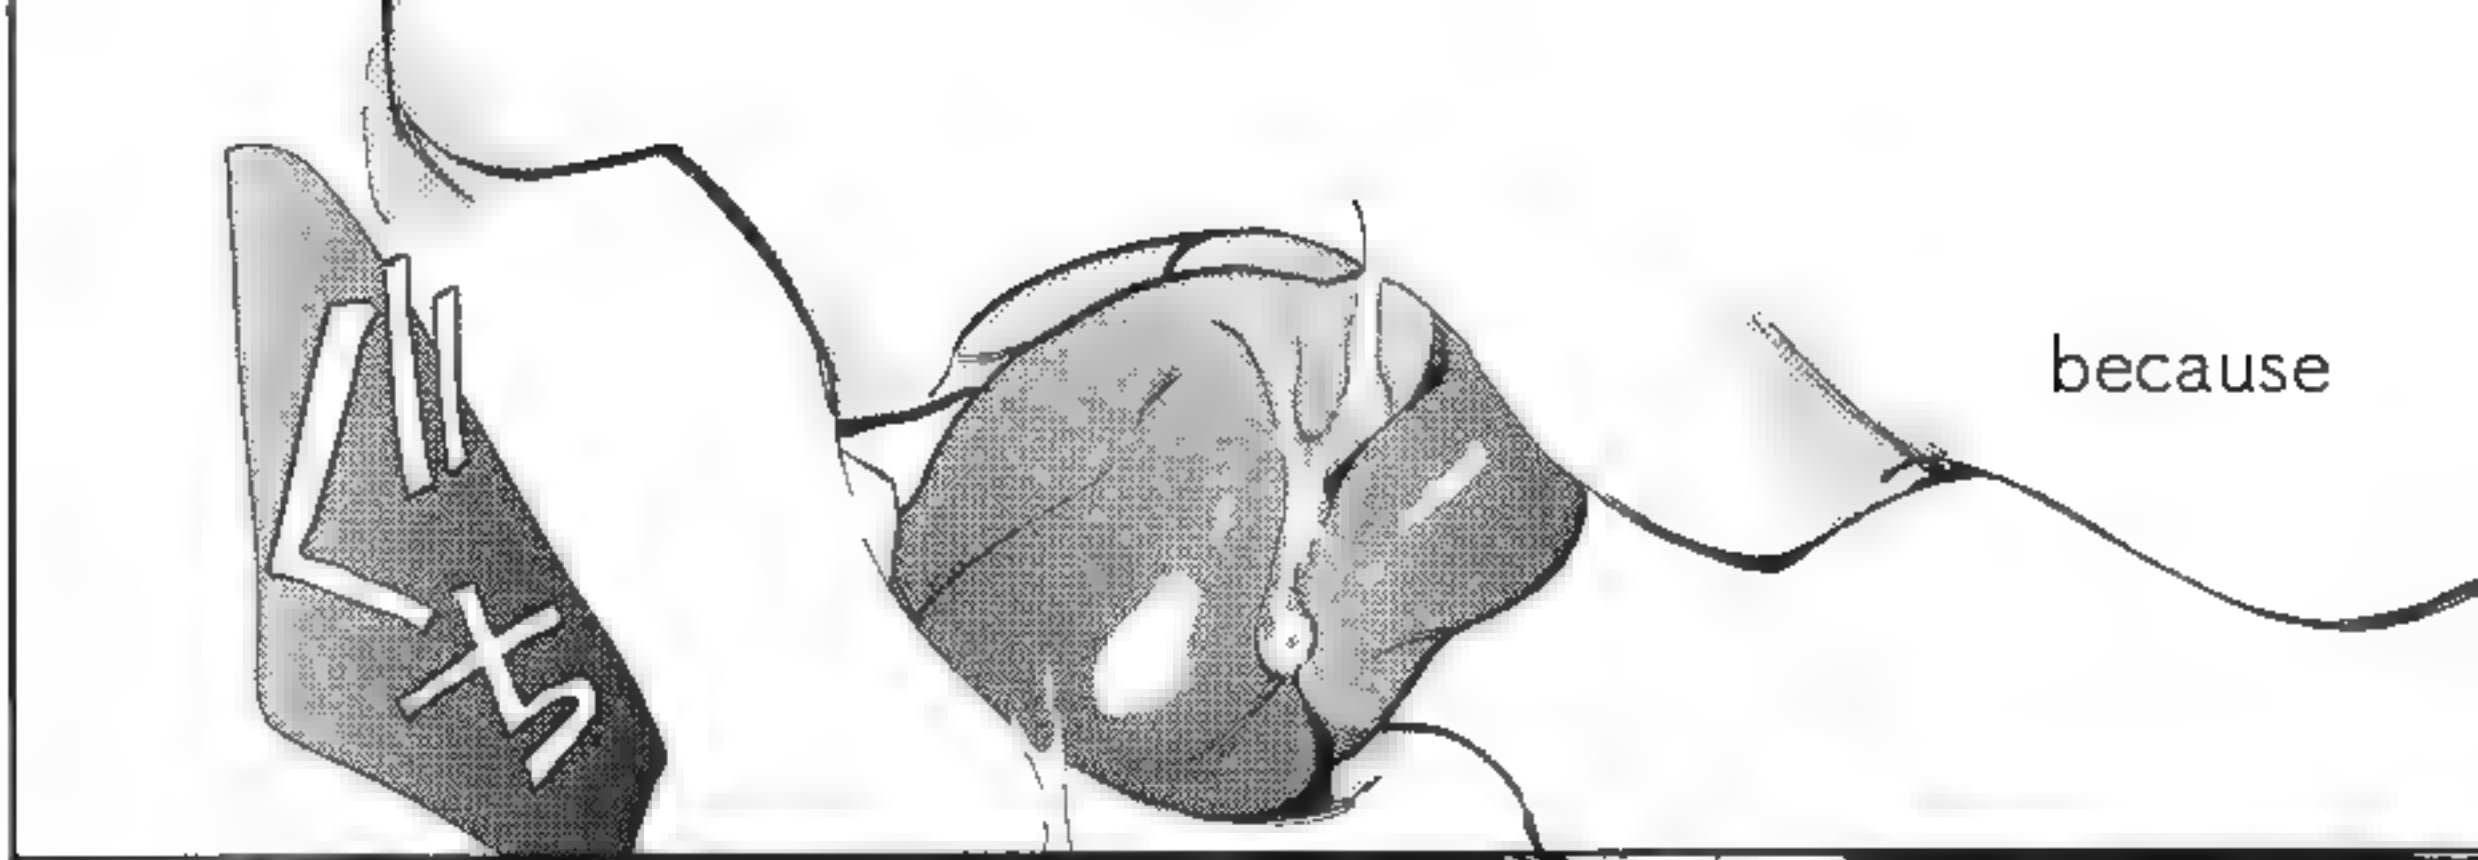

Not at all...

Doing it with him is fine.....

I see

Is it like this...?

Sometimes,

What about Tatsumi, have you decided?

It's useless, it's a waste of money, a waste.

Shut up, shut up!

Huh?

We're third years now~

3-2

And once I enter the circle my girlfriend created, I'll have a glorious campus life.

What course are you gonna choose?

There are lots of people in university,

I suppose I'll end up sex kin with Tatsumi.

Not really.

But the old hag keeps bragging about how only university works out.

The only thing I'm sure is that I'll go to university.

Hm I'm not sure, since we're talking about him, people from other schools will go to the same university too right.

Yuck, give me a break!

gyaha  
hahaha  
ha

Tatsumi won't hold women anymore so it's okay.

Who is doing that.

Then, let's live together.

I was here from the start actually.

Youu

Don't come suddenly Inui!

Huh? Isn't it obvious? I'm not gonna live endlessly with my parents.

... Anyway, when you graduate, will you leave your house Tatsumi?

When did I get to do lewd stuff with you? Don't make that blank look!!

Why are you against it?

blank look..

If we live together, Tatsumi too doesn't have to worry about the time and we can do lewd stuff too right?

Because among many things, it's annoying going back and forth to my house ...

Before that, tell me why I'd have to live with ya!

? Why? Many things get cheaper so it's perfect right?

Actually, I want to be kissed by Tatsumi.

When will you start listening to what people say?

I dream that...

If we started living together, I'd get a goodbye kiss from Tatsumi.

\*Inui

Actually, why that\*?  
Until now  
Inui gave off that  
« who's  
that »  
feeling.

those guys  
really are  
dating.

I didn't  
believe it  
at first but

I heard he  
lost interest  
in holding  
women and  
went towards  
men.

Eeh  
then we  
can't do it  
with Tatsumi  
anymore?

And since I  
broke up  
with my last  
boyfriend I  
thought I'd  
seduce  
Tatsumi~

Wasn't there a  
story about how  
Inui was very  
jealous of  
Tatsumi and  
restrained him?

Eeh  
that's  
awful,  
poor  
Tatsumi.

Huuuh, you haven't done that?

But sometimes, there are children who weren't exposed to the pheromones and haven't had sex.

They wouldn't get accustomed to women without experiencing it right.

with Tasumi

Huh

No

...  
Hmm  
mm

So, it feels different when you put it in the butt right?

Shit, why that guy. If it's like this it would have been nice if they told me to do it since I'm free

...That, it's Inui getting eaten.

You're no good, loafers.

...What's this? How many people are missing?

That hurts!

It's because you're free that you're no good.

Well, since it's those girls it's almost certain. That's right, but

.....Is he really doing it?

At long last this day has...

Then I'll be released...

Originally, he must like girls

He even likes such a character.

Isn't it just perfect?

Shouldn't

type of guy,  
take long now  
with the feel-

felt at that  
moment, he  
probably gave  
slam

We.. well!  
It shouldn't  
for Inui to  
pardon you!  
After a I,  
you've done  
nothing,  
right!?

No... It  
is truly  
impos-

Seeing  
him like  
this for  
the first  
time...

Don't  
make  
fun of  
him

.....Is  
this  
really  
Tatsumi  
?

By the way,  
since it's you,  
doesn't it make  
you angry to  
be dominated?

Hey,  
didn't you  
apologize  
?

.....Wah,  
reversed  
anger...

Anyway  
go  
apologize  
quickly.

It'd be bad if  
Inui were to  
hate you...  
probably.

Shut  
it up!

Right.  
Tatsumi is  
the worst  
and the  
type of guy  
who can't  
be helped,  
he knows it  
so  
as  
expected  
he ran  
out of  
patience.

..Why  
doesn't he  
understand  
that.

He's  
dense  
right.

Why  
won't  
you  
break up  
now~

Hum,  
yes, do  
that

Then,

I'll go  
talk to  
him  
again...

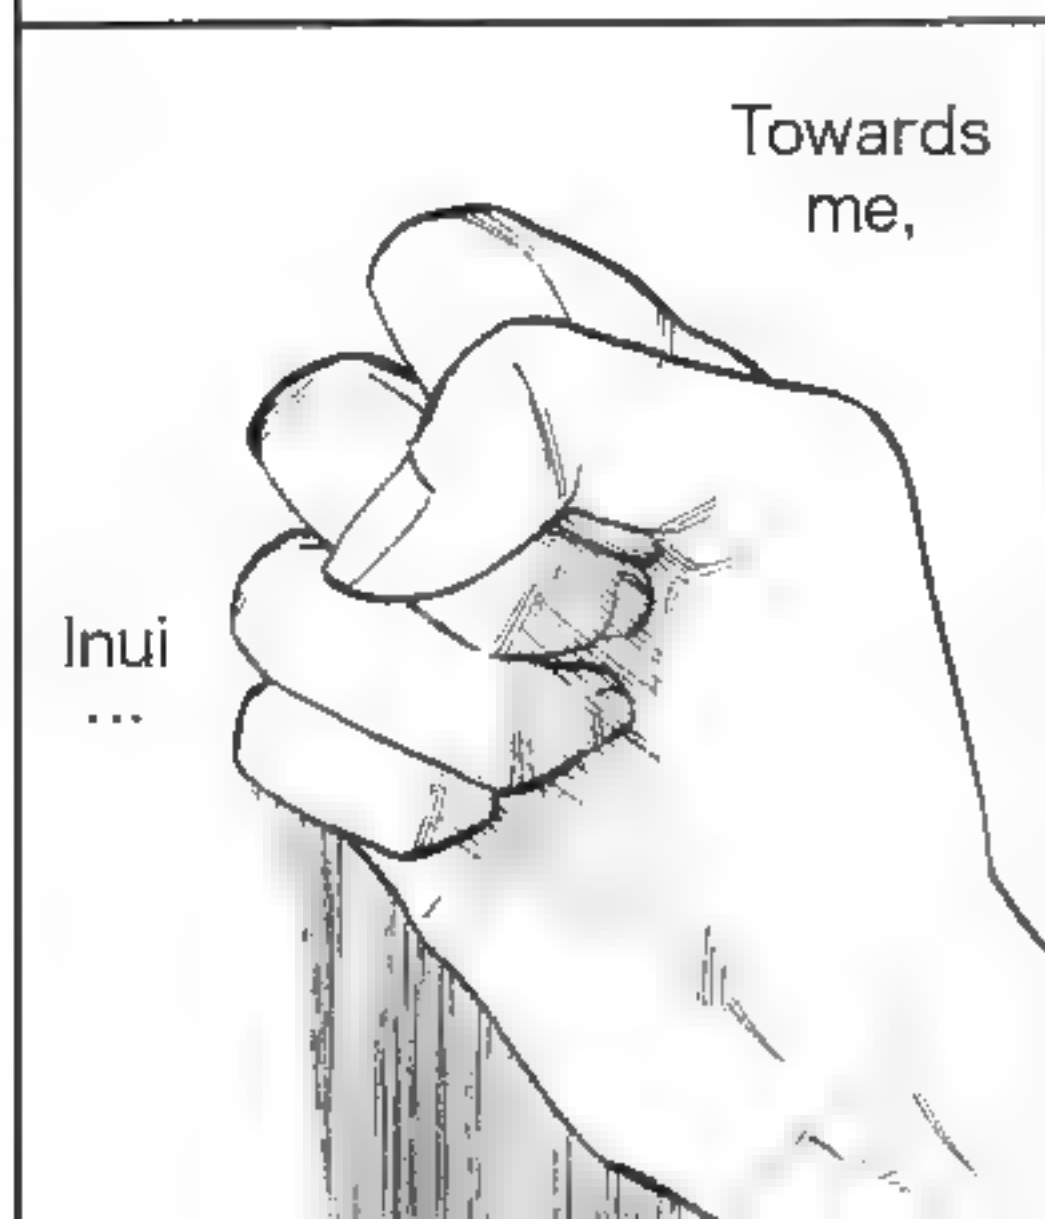

Thank you,

Inui  
doesn't  
have a  
crush on  
him  
anymore.

Because  
you

it'll be

when I smell  
his odor I  
lose all my  
strength  
...!

That's  
not  
it...!

You, Tatsumi, stop the  
demonstration!!  
You're quietly back  
together, is it the lovey  
dovey appeal!!

Are you  
listening  
guys!!

Now that I think  
about it, for  
people who didn't  
smell pheromones  
at all when they  
were small, their  
tolerance to it is  
too weak and they  
can easily feel like  
they are drunk.

Real-  
ly?

Ya, Inui - !  
Are you really  
properly taking  
your medicine!  
You're not  
forgetting it right!?

I'm not  
that  
stupid,  
I'm  
taking it.

annoyed

Isn't it the  
first one  
you've been  
prescribed?

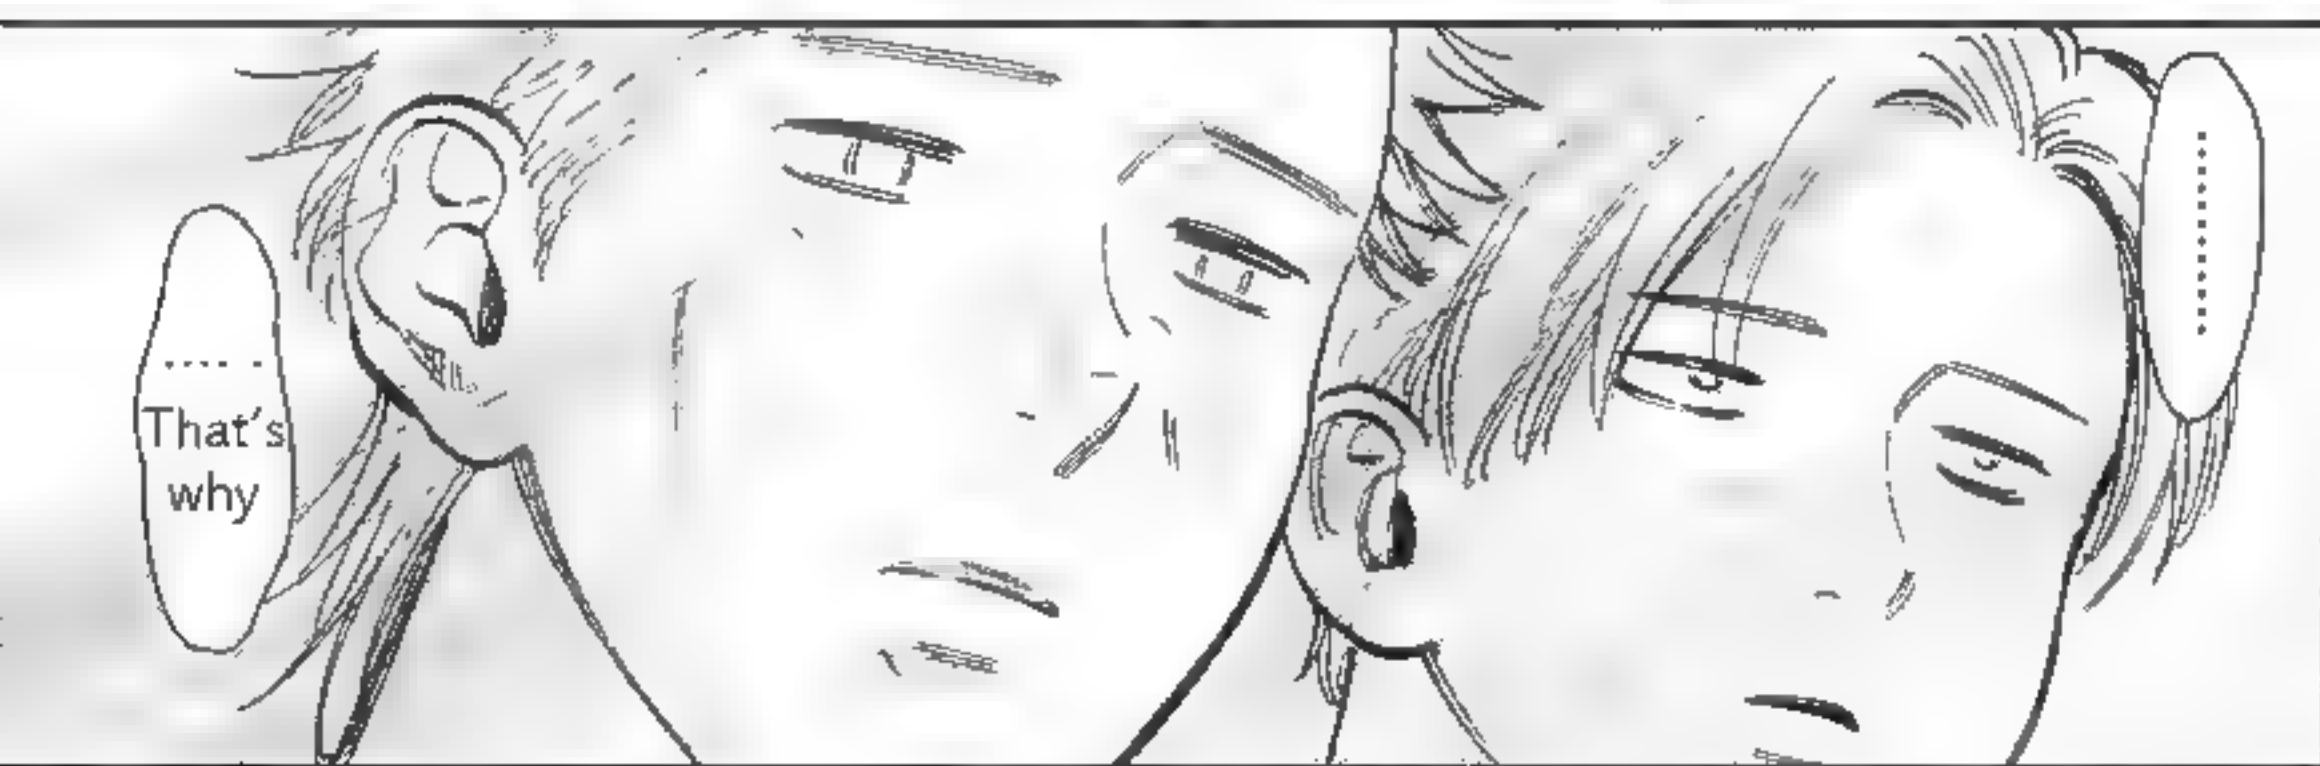

...  
Huuh  
!?

There's no  
way it'll work  
on me, a  
stronger  
one...

Even  
today I  
brought  
it.

but nothing that would change the understanding of the story.

♡ A big thank you to ♡

Lately we

After this,  
we're going to  
the karaoke with  
the Sergeant\*

what d'ya think?

In the  
collaboration room  
we'll have a  
Cutipara tie! Cutie  
Mint's batch hasn't  
be completely  
released yet...

...No  
need for a  
hand, I'm  
done.

So fast!?  
As  
expected!

What, Inui,  
you're not  
coming?

...That's  
because I  
have a

I'm leaving.

They're  
coming to

Ok...  
Ugh...

Exactly. So since  
you're with your  
comrades we'll greet  
them. As people from  
the same company,  
it's a common  
practice.

It can't be  
helped  
since we're  
leaving  
together.

.....Why  
are you  
following  
me?

Right... There isn't a big  
difference between him  
and us. It's hard to think  
he could be involved  
with a high spec lover.  
There is very little  
chance that mister Inui's  
lying, there must be a  
reason to that  
delusion...

Oh...?

What!? Why  
such a  
person would  
date that  
Inui!?

He always says  
she's super  
cute, super  
stylish, super  
tsundere, super

Anyway, so this was the last chapter and  
the final one (ch. 7) is actually ~~another~~  
short stories.

Since I'm a nice girl, I give you a little  
something, below is a one-page story that was  
released on sensei's twitter.

What do you mean that's all??!! <sup>prostrates</sup>

Thank you for reading my translation. It may contain slight errors, but  
nothing that would change the understanding of the story.

\*« pop culture tourism » when one travels to a place where manga events or occasions of the sort are taking place there.

It's like stories about how to have normal sex right?

Huuh? I don't get it.

**Enemy of men!**

How nice, a guy who can do it easily!

It's like when a girl falls and the guy touches her boobs, or gets his face buried in her crotch.

You don't know it Tatsumi? It's in manga and such.

Anyway, it's about how a guy profits sexy stuff by chance, the dream of a man.

Or when he opens the door and she is changing and in underwear

What's that?

A lucky sukebe (lecher)?

Drag-less Sex [Tatsumi and Inui]  
**Lucky sukebe**

Well ...

Hey Inui, you too have this kind of dream no?

It's just the kind of mix gloomy otaku would like

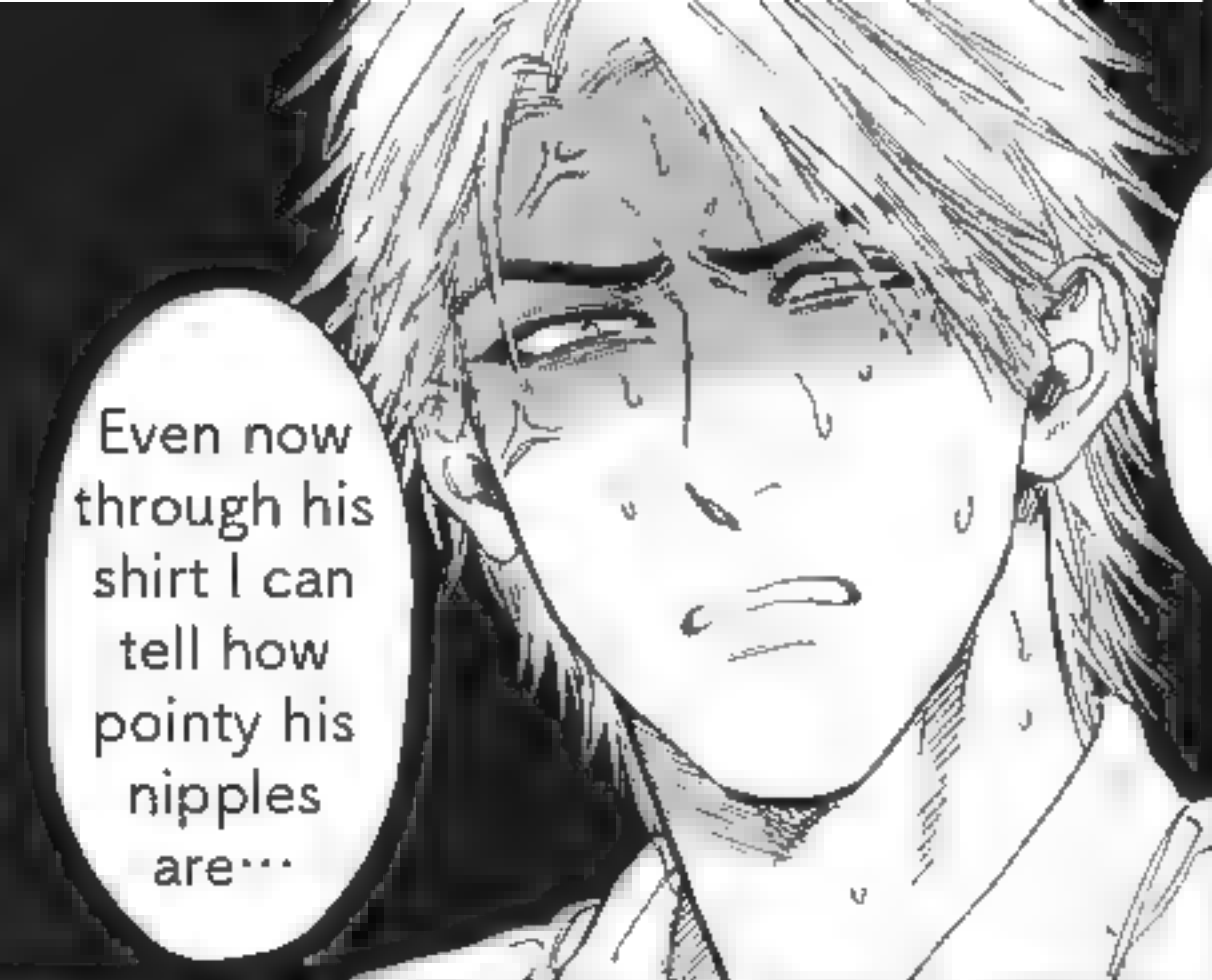

Where!?

Seriously!? Always!?

Huh?

Actually, I'm always experiencing it...

Even now through his shirt I can tell how pointy his nipples are...

In the toilets I saw his dick...

Where ...

During school I always see Tatsumi getting changed ...

And I won't let you become a

lucky suke-be!!

Don't call me Tattsun!!

That's not it, I carelessly forgot to drink it because until now I wouldn't drink it!

Because Tattsun didn't drink the medicine. I thought if anything, you wanted to do it.

Don't ya dare feel lecherous towards me however you want!!

Actually if my nipples are pointy it's because you persistently played with it til it's

And I'm not your boyfriend!!

What's with that positiveness of yours!!!

Tatsumi wearing his boyfriend's clothes...  
Sexy...  
Lucky sukebe...

Seriously, In front of ya I can't even be lightly dressed.

Anyway give me your jacket!

Al-right

Right.

They are just bragging hun

 If my manga was stuck, it'd only be game over for me, still I didn't get the opportunity to draw lots hot scenes, but in my head, in the original plan, I wanted to draw hot scenes to the point of dying... I talked about drawing it but...

Enzou @Enzodesuyotto 2017/10/10  
 I plan to draw lovey dovey to death... Is this a spoiler? Isn't it ok? My manga is gonna be all lovey dovey to death.

# Sanguis Draconis

Elven treasure hunter Altin manages to kidnap the local prince completely by accident. Like, he knew he was breaking and entering, but never expected to be leaving with the (admittedly very attractive) Prince Zephyr.

Or for the Prince to end up being so chill with it.

Aside from the criminal nature of their meeting, things seem to go well, but then a *slightly* cliché regicide plot and attempt to usurp the throne derail their burgeoning relationship and leave both young men on the run.
